ORAL REPORTS BY MEMBERS OF CITY COUNCIL

(a) Vice Mayor Donley spoke about Saturday's deliberation and approval of the waterfront, however, there were a number of elements in the public discourse which he found troubling. Opponents mischaracterized the plan, there was advertising which bordered on slander of public officials, there was testimony which characterized staff as trained seals and equated the decision to genocide, and there was a robo call or push poll which carried a racial bent. He said it was unfortunate that the group that was opposed to the plan used such tactics and distortions, and they had the effect of galvanizing the support of the plan from citizens and members of Council. He said it as disheartening that the efforts were led by a former elected official and by a person purportedly wanting to seek public office. He said he hoped in the future that the public debate and discourse would be conducted on a higher and more honorable level. Vice Mayor Donley congratulated the staff, particularly the Planning staff, for their patience and professionalism. The debate should have been on the merits of the proposal and on a much higher level than what they witnessed. He said it was a total distortion of a good hearted professional effort by staff.

RESOLUTION NO. 2488

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ALEXANDRIA, VIRGINIA
AUTHORIZING THE ISSUANCE AND SALE OF GENERAL OBLIGATION
REFUNDING BONDS

WHEREAS, the City Council of the City of Alexandria, Virginia ("City") has determined that is advisable to authorize the issuance and sale of general obligation refunding bonds of the City to refund in advance of their maturities certain bonds previously issued by the City in order to achieve debt service savings.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ALEXANDRIA:

1. Authorization of Bonds; Refunding of Prior Bonds. The City Council hereby determines that it is advisable to contract a debt and to issue and sell general obligation refunding bonds (the "Bonds") on the terms determined in the manner set forth in this Resolution. The issuance and sale of the Bonds are hereby authorized. The proceeds from the issuance and sale of the Bonds shall be used to refund, redeem, and/or defease certain outstanding bonds issued by the City (the "Refunded Bonds"). The specific bonds to be refunded shall be determined by the City Manager pursuant to the criteria set forth in this paragraph. The City Manager is authorized to determine the series, maturities and amounts of the Refunded Bonds as such officer determines to be in the best interest of the City as long as the minimum savings achieved by the issuance of the Bonds is at least 3% of the principal amount of the Refunded Bonds on a net present value basis. The City Manager is authorized to enter into an escrow agreement providing for the deposit of proceeds of the Bonds and the refunding and redemption of the Refunded Bonds with such escrow agent as the City Manager may select.

2. Pledge of Full Faith and Credit. The full faith and credit of the City are hereby irrevocably pledged for the payment of the principal of, premium, if any, and interest on the Bonds as the same become due and payable. The City Council shall levy an annual ad valorem tax upon all property in the City, subject to local taxation, sufficient to pay the principal of, premium, if any, and interest on the Bonds as the same shall become due for payment unless other funds are lawfully available and appropriated for the timely payment thereof.

3. Details and Sale of Bonds. The Bonds shall be issued upon the terms

established pursuant to this Resolution and upon such other terms as may be determined in the manner set forth in this Resolution. The Bonds shall be issued in one or more series, in fully registered form and shall be dated such date or dates as the City Manager may approve. The Bonds shall mature on such dates and in such amounts and shall be issued in such principal amount as the City Manager may approve, provided that the final maturity of the Bonds is not later than one year after the final maturity of the Refunded Bonds and the aggregate principal amount of the Bonds is not more than the amount needed to pay principal of and premium, if any, and interest on the Refunded Bonds and to pay the cost of issuing the Bonds. The Bonds may be sold pursuant to a public or private placement and may be sold on a negotiated or competitive bid basis all as may be determined by the City Manager. The City Manager is authorized and directed to accept a bid or bids or a proposal for the purchase of the Bonds which such officer determines to be in the best interest of the City, subject to debt service savings criteria set forth in paragraph 1 above. The City Manager is authorized to enter into a bond purchase agreement with the purchaser of the Bonds if required in connection with the sale of the Bonds. The City Manager and the Chief Financial Officer, or either of them, is authorized and directed to approve such optional redemption provisions for the Bonds as such officer or officers determine to be in the best interest of the City.

5. Book-Entry-Only Form. If the Bonds are sold publicly, the Bonds shall be issued in book-entry-only form as set forth in this paragraph. The Bonds shall be issued in fully-registered form and registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC") as registered owner of the Bonds, and immobilized in the custody of DTC. One fully-registered Bond in typewritten or printed form for the principal amount of each maturity of the Bonds shall be registered to Cede & Co. Beneficial owners of the Bonds shall not receive physical delivery of the Bonds. Principal, premium, if any, and interest payments on the Bonds shall be made to DTC or its nominee as registered owner of the Bonds on the applicable payment date.

Transfer of ownership interest in the Bonds shall be made by DTC and its participants (the "Participants"), acting as nominees of the beneficial owners of the Bonds in accordance with rules specified by DTC and its Participants. The City shall notify DTC of any notice required to be given pursuant to this Resolution or the Bonds not less than fifteen (15) calendar days prior to the date upon which such notice is required to be given. The City shall also comply with the agreements set forth in the City's Letter of Representations to DTC.

- (ii) The City has advised DTC of its determination not to use DTC as a securities depository; or
- (iii) The City has determined that it is in the best interest of the beneficial owners of the Bonds or the City not to continue the book-entry system of transfer.

8. CUSIP Numbers. If the Bonds are sold publicly, the Bonds shall have CUSIP identification numbers printed thereon. No such number shall constitute a part of the contract evidenced by the Bond on which it is imprinted and no liability shall attach to the City, or any of its officers or agents by reason of such numbers or any use made of such numbers, including any use by the City and any officer or agent of the City, by reason of any inaccuracy, error or omission with respect to such numbers.

9. Registration, Transfer and Exchange. Upon surrender for transfer or exchange of any Bond at the principal office of the Bond Registrar, the City shall execute and deliver and the Bond Registrar shall authenticate in the name of the transferee or transferees a new Bond or Bonds of any authorized denominations in an aggregate principal amount equal to the Bond surrendered and of the same form and maturity and bearing interest at the same rate as the Bond surrendered, subject in each case to such reasonable regulations as the City and the Bond Registrar may prescribe.
