Mrs. E. L. Babb

Dear Mayor Bill, Eville

I know you make Safe rules

But I want 1 rule changed

and I'll tell you what it is. I don't

I think ~~they~~ should keep
cats in side.

Once I heard a cat was killed

By a hurricane last summer

I'll ^{if cat} give reasons why if cats aren't
^{safe}

1. If a cat is outside when

Bad weather is coming

and all of the doors

Look on back

Are locked and the cat could die.

2. Cat aren't really Smart.

3. Once my uncle was scratch by a stray cat
in the middle of nowhere

4. I like cats but not mean ones.

5. they could have reibles.

Can you please write me back
when you get this letter
Please.

Sincerely

The [unclear] Second grade
den Who will
probly write to you.

P.S. Did you ever have a neighbor hood
cat?
