SUP #2012-0028

5/1/2012

I. DISCUSSION

The applicant, Fossal Inc. by Michael Kim, attorney, requests Special Use Permit approval to operate a restaurant at 251 West Glebe Road.

SITE DESCRIPTION

The subject site is a tenant space in a one-story commercial building formerly used as a grocery store. The Safeway site, as it is commonly known, is divided into three tenant spaces and has shared parking in the surface lot in front of the building. The two other tenants in the building are retail uses: Dollar Plus and Duron Paints.

The building is located on an irregularly-shaped lot with 438 feet of frontage on West Glebe Road, 63 feet of frontage on Mount Vernon Avenue, and a total lot area of 103,000 square feet (2.37 acres). The property can be accessed from either West Glebe Road or Mount Vernon Avenue.

The surrounding area is primarily commercial in character, with retail and restaurant uses predominating to the south, southeast, and west. Saint Rita's Catholic Church is located immediately to the north, and residential apartments are located some distance away to the east across both the on-site parking lot and Mount Vernon Avenue.

BACKGROUND

A restaurant first opened at this site in 2002. In 2004, City Council approved a significant expansion and a change of ownership. Staff administratively approved a change of ownership in 2007 to new owners who operated the business under the name of "Cerro Verde." Planning staff and Police determined that the owners of Cerro Verde were operating a nightclub business on the weekends by renting out the space to third-party promoters who assessed a cover charge and who advertised entertainment that predominated over food service. In addition, the Cerro Verde site recorded unusually high Police activity and the owners stayed open later than approved under their SUP. Staff had docketed the Special Use Permit for Planning Commission and City Council review as a result of the SUP violations in October 2010 but the restaurant permanently closed for business prior to the hearing dates. The tenant space has been vacant since that time.

The subject property, with the neighboring Datatel property, was identified as one of three high-priority redevelopment sites in the 2003 Arlandria Neighborhood Plan (the Safeway/Datatel site). The owner of the Safeway building was involved in the creation of the Arlandria plan and has maintained contact with staff since that time. In 2008, the City completed a feasibility study that

determined that redevelopment of the Safeway/Datatel site as envisioned in the Plan was not likely at that time.

PROPOSAL

The applicant proposes to operate a 6,600 square-foot family-friendly restaurant serving primarily Mexican and Salvadorian cuisine. The restaurant is relocating from its current location in the Arlington Ridge Shopping Center on South Glebe Road in Arlington. A total of 150 seats will be offered and both table and take-out service will be available. On-premises alcohol will be offered, but no live entertainment will be offered, which is a change from the previous restaurant at the site. Additional elements of the applicant's proposal are as follows:

<u>Proposed Hours:</u>	11 a.m. – 11 p.m. Sunday – Thursday 11 a.m. – 12 midnight Friday & Saturday (Prior Use: 7:30 a.m. – 1 a.m. daily)
<u>Proposed Seats:</u>	150 (Prior Use: 80)
<u>Type of Service:</u>	Table service, take-out
<u>Customers:</u>	150 - 200 customers/day
<u>Alcohol:</u>	On-premises alcohol service only
<u>Entertainment:</u>	No live entertainment is proposed. Several flat-screen televisions will be present inside the restaurant
<u>Delivery:</u>	No delivery of food to customers is proposed
<u>Noise:</u>	Regular restaurant operational noises expected
<u>Trash/Litter:</u>	About two to four bags of food waste, wrappers, and other paper/plastic products will be generated each day will be stored in a sealed container for twice weekly pick-up.

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the CDD#12 / Coordinated Development District #12, which has an underlying zoning of NR / Neighborhood Retail (Arlandria). Section 4-1404(M) permits a restaurant in the NR zone with a full Special Use Permit when it does not meet eligibility criteria for Administrative SUP approval. The applicant's proposal does not meet Administrative SUP eligibility criteria since it exceeds 100 seats.

The proposed use, though not the existing building and surface parking, is consistent with the Arlandria Neighborhood Plan, a part of the Potomac West Small Area Plan chapter of the Master Plan, which designates the property for commercial use.

PARKING

According to Section 8-200(A)(8) of the Zoning Ordinance, one off-street parking space is required for every four restaurant seats plus one off-street loading space. A restaurant with 150 seats is required to provide a total of 38 off-street parking spaces. A total of 111 parking spaces exist in the surface parking lot on the property, 67 of which count toward the existing retail uses in the building. The remaining 44 parking spaces and on-site loading areas fulfill and exceed the parking requirement for the use.

II. STAFF ANALYSIS

Although staff was initially concerned with the reopening of a restaurant in this location given the multiple SUP violations observed at Cerro Verde coupled with the proximity of residential, church, and school uses within Saint Rita's Church, staff ultimately does not object to the applicant's request to relocate his restaurant from Arlington to Alexandria. The proposal is a good interim use with ample parking. It also represents an opportunity to fill tenant space that has been vacant for nearly two years.

Although the current applicant is not responsible for the violations found at Cerro Verde two years ago, staff nonetheless recognizes the need prevent a similar situation, and the related neighborhood impacts such as noise and nuisance customer behavior, from occurring again at the site. The applicant's proposal for a family-friendly restaurant addresses the prevention of these problems in three significant ways. First, no live entertainment is proposed at the site. Second, the closing hour will be 11 p.m. during the week and 12 midnight on the weekends compared to Cerro Verde, which had a 1 a.m. daily closing hour approved in the SUP and frequently stayed open until 2 a.m. Finally, the applicant has, as part of a lease addendum with the landlord, confirmed that the restaurant will be operated as it has been in Arlington and that it will not be a night club.

The potential for similar noise impacts is therefore virtually eliminated. The likelihood that this establishment will be an entertainment destination with significant amount of its business from the sale of alcohol is also diminished, which should in turn prevent instances of unruly, alcohol-induced behavior that occurred at Cerro Verde. Staff has included condition language in this report limiting the business to the requested closing hour (Condition #2) and prohibiting live entertainment (Condition #6). Condition #7 also requires the applicant to limit sound amplification inside the restaurant, not otherwise considered live entertainment, to soft background music to the satisfaction of the Director. This condition will further prevent noise impacts and ensure that the establishment retains the restaurant atmosphere represented in the application.

Staff has discussed the application with Saint Rita's Church, which does not object to the new restaurant as proposed but asks for the inclusion of four special conditions of approval. These conditions are reasonable requirements to ensure property maintenance and to limit the potential for noise and safety impacts on adjacent church uses. Condition #11 requires lighting in the rear alley to be maintained and shielded downward to prevent glare into the adjacent convent. Condition #12 requires that the property be maintained in good condition, including routine lawn

maintenance and litter pick-up (which is also stipulated in Condition #13.) Staff has included Condition #16 to require the applicant to refrain from placing empty bottles in the rear dumpster between the hours of 9 p.m. and 8 a.m. Finally, Condition #20 requires that the loading/unloading of supplies occur in front of the restaurant in the surface parking lot rather than in the existing rear loading dock. Sufficient room exists in front of the restaurant for trucks, and the relocation of these activities should prevent delivery noises from impacting church residents.

In conclusion, staff believes that despite problems with the previous use, a restaurant with limited operational elements is appropriate for this site. Subject to the conditions contained in Section III of this report, staff recommends approval of the applicant's request.

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The Special Use Permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)
2. The maximum number of indoor seats at the restaurant shall be 150. No outdoor seats shall be allowed. (P&Z)
3. The hours of operation at the restaurant shall be limited to between 11 a.m. and 11 p.m., Sunday – Thursday and between 11 a.m. and 12 midnight Friday and Saturday. (P&Z)
4. The applicant shall post the hours of operation at the entrance of the business. (P&Z)
5. On-premises alcohol service may be permitted but off-premises alcohol sales shall be prohibited. (P&Z)
6. No live entertainment shall be allowed at the restaurant. (P&Z)
7. No sound amplification louder than soft background music to the satisfaction of the Director of Planning and Zoning shall be permitted inside the restaurant. (P&Z)
8. No delivery service of food to customers shall operate from the restaurant. (P&Z)
9. Meals ordered before the closing hour may be served, but no new patrons may be admitted and no alcoholic beverages may be served after the closing hour, and all patrons must leave by one hour after the closing hour. (P&Z)
10. The applicant shall conduct employee training sessions on an ongoing basis, including as part of any employee orientation, to discuss all SUP provisions and requirements, and on how to prevent underage sales of alcohol. (P&Z)
11. No food, beverages, or other material shall be stored outside. (P&Z)
12. Lighting in the rear alley shall be maintained to the satisfaction of the Director of Planning & Zoning and shall be shielded downward to prevent glare from impacting adjacent residences. (P&Z)
13. The property shall be maintained in good condition, to include routine lawn maintenance and litter pick-up, to the satisfaction of the Director of Planning & Zoning (P&Z)
14. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)

15. Trash and garbage shall be placed in sealed containers which do not allow odors to escape and shall be stored inside or in closed containers which do not allow invasion by animals. No trash or debris shall be allowed to accumulate on site outside of those containers. (P&Z)
16. The applicant shall be prohibited from placing empty bottles or other glass or similar products in the dumpster behind the restaurant between the hours of 9 p.m. and 8 a.m. (P&Z)
17. Kitchen equipment shall not be cleaned outside, nor shall any cooking residue be washed into the streets, alleys or storm sewers. (T&ES)
18. The applicant shall control cooking odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. (T&ES)
19. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)
20. Except for dumpster pick-ups, supply deliveries, loading, and unloading activities shall occur only in front of the restaurant and shall be prohibited at the existing rear loading driveway or dock. No supply deliveries, loading or unloading activities of any kind shall occur at the restaurant between the hours of 11:00pm and 7:00am. (P&Z) (T&ES)
21. The applicant shall require its employees who drive to use off-street parking and/or provide employees who use mass transit with subsidized bus and rail fare media. The applicant shall also post DASH and Metrobus schedules on-site for employees. (T&ES)
22. The applicant shall provide a menu or list of foods to be handled at this facility to the Health Department prior to opening. (Health)
23. The applicant shall contact the Community Relations Unit of the Alexandria Police Department at 703-746-1920 regarding a security survey for the business and a robbery readiness program for all employees. (Police)
24. The Director of Planning and Zoning shall review the Special Use Permit after it has been operational for one year, and shall docket the matter for consideration by the Planning Commission and City Council if: (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the Director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the Director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z) (Police)

STAFF: Barbara Ross, Deputy Director, Department of Planning and Zoning;
Nathan Randall, Urban Planner.

Staff Note: In accordance with Section 11-506(C) of the Zoning Ordinance, operation shall be commenced within 18 months of the date of granting of a Special Use Permit by City Council or the Special Use Permit shall become void.
