Re: Urban Design Advisory Committee -

Re-appointment to Professional Position

Dear Mayor, Vice-Mayor and

Council :

I would like to request your support in my application for

re-appointment as the professional representative member on the Urban

Design Advisory Committee.

I have been a resident of Alexandria since

1998 and since that time I have become very familiar with, and have a

keen understanding of, the major urban design issues in the OldTownNorth

Comments: community. I have served as the professional representative to UDAC since

2006, and have also become its acting secretary. Based upon my

background in engineering, planning and landscape architecture I have

been able to help UDAC develop a basic organizational knowledge of the

planning process in the City.

The recent and current downturn in the

economy has certainly affected the number of projects the Committee has

been asked to review. However, the importance of specific urban design

issues within the community will certainly continue to remain important

especially as the economy gradually improves. In addition, UDAC may be

undergoing a change in chairmanship this year. As a result, I expect that

my experience may be useful and needed on the committee, and I would like

to be considered for re-appointment to the

Committee.

Respectfully,

Daniel Straub
