Subject: Your vote for Alexandria's Commission on HIV / AIDS

Dear Mr. Mayor, Mr. Vice Mayor and Members of Council:

My name is

Monique Robinson and I write to ask for your vote to serve on the Alexandria Commission on HIV/AIDS. I moved to Virginia in 2006, after finishing college at Florida A & M University in Tallahassee, with a Bachelors degree in Business Administration.

My professional passion is

in the pharmaceutical sciences and I have a personal passion for public

Comments: service. Consistent with my professional passion, I accepted a job with Eli Lilly & Company immediately after college and currently work for Sunovion Pharmaceuticals as a Therapeutic Specialist in the CNS Sales Division. I enjoy the work because I have a chance to learn so much about cutting edge drugs to treat so many diseases ailing the human condition and

better yet, I'm able to educate others on the same thing.

In my personal

life, I find myself doing a lot of community service work in Alexandria,

particularly through my sorority, the Zeta Chi Omega Chapter of Alpha Kappa

Alpha Sorority, Inc. In the sorority, I work on the Emerging Young Leaders

Committee, Health Committee and as well, on the Connections Committee,

building partnerships with other community organizations and hosting events

related to the improvement of human health. I would like to be elected to

this commission because I am passionate about educating the public on the

HIV / AIDS epidemic and how to prevent its spread. I would be so grateful

to you for providing me with an opportunity to serve the City of Alexandria

as a Commissioner on HIV/AIDS.

Thank you for your consideration and

Kind regards,
Monique Robinson
