

City of Alexandria, Virginia

MEMORANDUM

DATE: DECEMBER 6, 2010
TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL
FROM: JAMES K. HARTMANN, CITY MANAGER 
SUBJECT: CONSIDERATION OF A REAPPROPRIATION ORDINANCE TO AMEND FISCAL YEAR 2011 APPROPRIATION

ISSUE: Consideration of a Reappropriation Ordinance to amend Fiscal Year 2011 Appropriation.

RECOMMENDATION: That City Council introduce the ordinance, pass it on first reading and schedule it for public hearing, second reading, and final passage on Saturday, December 18 (Attachment 1).

DISCUSSION: Each year City staff submits a Reappropriation Ordinance to City Council to reappropriate monies authorized and obligated in the prior fiscal year but not expended as of June 30. By City Charter, all appropriations lapse at the end of the fiscal year. When budgeted goods and services are ordered prior to the end of the previous fiscal year, but not delivered until the next fiscal year, monies need to be reappropriated to cover the expenditures paid in the current fiscal year. This ordinance also includes the appropriation of grants, donations, designations and other resources received in the current fiscal year. Where relevant, staff has referenced the City Council docket item or action that pertains to the appropriation. In cases of new grants and changes in funding levels, staff has described how the funding change will impact services. Staff recommends that the Fiscal Year (FY) 2011 Appropriation be amended to accomplish the following purposes:

- Section 1. Reappropriation of monies encumbered as of June 30, 2010. The reappropriation of monies to pay for commitments, in the form of encumbrances, established prior to June 30, 2010, but not paid by that date. Encumbrances totaling \$548,223 of Equipment Replacement Reserve Fund obligations (primarily for vehicles and equipment ordered in FY 2010 but not yet delivered until FY 2011).

- Section 2. Reappropriation of expenditures to be funded by grant revenues. The reappropriation of grant revenues authorized in Fiscal Year 2010 or earlier, but not expended or encumbered as of June 30, 2010. Of the \$11,160,837 previously appropriated, \$8,532,072 is associated with Housing and includes \$3,414,331 in

Housing Trust Fund monies, \$500,000 is associated with Transportation and Environmental Services for Transit Studies; \$951,061 is associated with Human Services Youth, Aging and Social Services programs; \$200,625 is associated with Fire programs; and \$90,072 is for Police grants. The balance included several small amounts appropriated to numerous departments.

- Section 3. Reappropriation of expenditures to be funded by Stimulus Fund grant revenues. The reappropriation of American Recovery and Reinvestment Act funds revenues authorized in Fiscal Year 2010 or earlier, but not expended or encumbered as of June 30, 2010. Of the \$5,393,398 previously appropriated, \$3,556,860 is associated with Transportation and Environmental Services and includes \$2,400,000 for the purchase of Trolleys and \$750,000 for the Eisenhower Avenue Trail; \$538,503 is for Housing Programs; \$445,508 is associated with Human Services Youth, Aging and Social Services programs; \$655,800 and is associated with General Services for energy efficiency and conservation. The balance included several small amounts appropriated to numerous departments.
- Section 4. Appropriation of grant revenues authorized and adjusted but not appropriated in Fiscal Year 2011. The appropriation of grant revenues accepted by 11 departments, which need adjustment in FY 2011 but are not yet appropriated. A listing of grants is included (Attachment 2) and totals \$6,469,457.
- Section 5. Appropriation of Stimulus Fund grant revenues authorized and adjusted but not appropriated in Fiscal Year 2011. The appropriation of American Recovery and Reinvestment Act funds accepted by departments, but not yet appropriated in FY 2011. A listing of grants is included (Attachment 3) and totals \$1,317,279.
- Section 6. Reappropriation of balances remaining as of June 30, 2010, in donation accounts or activities. Of the \$7,332,639 reappropriated, \$6,312,668 is associated with the Sanitary Sewer Fund; \$114,627 is associated with Human Resources for the Frank Mann Educational Fund; \$236,154 is associated with the seized asset programs for the Police Department and the Commonwealth's Attorney's Office; \$65,696 is associated with Historic Alexandria donations including Gadsby's Tavern, Fort Ward, the Black History Museum, the Apothecary Museum and the Lyceum; \$127,164 is associated with the Recreation Department, primarily for the Commission for the Arts and the living landscape projects; \$152,367 is associated with the Department of Human Services, primarily for Aging , Youth programs and the Center for Alexandria's Children. The City is obligated to use these monies for the specific purpose for which they were provided.
- Section 7. Appropriation of General Fund Balance for previously unbudgeted expenditures. The appropriation of \$13,192 of General Fund balance representing revenue earnings of certain City agencies. This appropriation includes: \$11,194 of revenues earned in excess of budget estimates for Historic Alexandria; \$798 of revenues from the sale of publications for Citizen Assistance; and \$1,200 of revenues from the sale of publications by the City Clerk and Clerk of Council.

- Section 8. Appropriation of Capital Improvement Program revenues previously unbudgeted. The appropriation of \$1,625,157 of grant revenues, donations, Developer Contributions and SUP Conditions of Capital Improvement Program Funds. This appropriation includes: \$26,550 for street cans; \$56,607 for the Water Quality Improvement Fund; \$17,000 toward the Sacandaga Sculpture project; \$275,000 for Improvements to the Mill Road Substance Abuse and Shelter Facility, and \$1,250,000 for new parking meters. The funding for the new parking meters was provided by City Council in September as an allocation of Contingent Reserves. This establishes a Capital Improvement Program budget for the project.
- Section 9. Appropriation of General Fund Balance. The appropriation of \$3,839,183 includes \$2,255,523 for the continuation or the completion of projects and initiatives authorized in FY 2010 but not yet completed; \$800,000 to provide budget authority for the August Storm; and \$783,660 for the new Stormwater Utility Fund, collected from FY 2010 real estate taxes prior to the establishment of the Fund. A listing of the incomplete projects is included as Attachment 4. In addition, a report on Fund Balance Commitments, docketed on October 26, 2010, item 19, described these incomplete projects.
- Section 10. Transfer of Budget Authority between various departments. The transfer of budget authority between various City departments to establish budget authority in the department in which the expense is incurred or the program or activity is carried out. This appropriation includes \$43,000 for departmental postage, currently budgeted in non-departmental to be transferred to various departments; the transfer of \$403,000 from non-departmental to various departments to cover the costs associated with the implementation of the Competency Based Classification System (also known as “Watson Wyatt”). In addition, \$375,000 in savings associated with travel and education and professional services that was budgeted in a non-departmental account, pending staff analysis of more specific savings will be transferred to several departments. The transfer also includes \$48,145 from Fire and \$48,145 from the Police Department to the Department of Emergency Communications to provide a half a year of funding for two positions. Attachment 5 provides details of the interdepartmental transfers.
- Section 11. Appropriation of General Fund Revenue to the Special Revenue Fund. The appropriation of \$100,208 to the Special Revenue Fund for the Departments of Human Services (\$46,030), Mental Health, Mental Retardation and Substance Abuse (\$26,690), Housing (\$5,178) and the Library (\$22,310) for costs associated with the implementation of the Competency Based Classification System. These funds reflect that portion of the interdepartmental transfers in Section 10 that impacts the Special Revenue Fund in the form of Interfund Transfers.

Section 12. Appropriation of Special Revenue for previously unbudgeted expenditures. The appropriation of \$205,501 of Special Revenue Funds, including \$42,483 to create a Vendor Carts account in the Department of General Services and \$163,018 for Payment in Lieu of Rebanding for the Police Department agreement with Sprint Nextel.

Section 13. Appropriation of General Fund Revenue for previously unbudgeted expenditures. The appropriation of \$490,701 to Non-Departmental Account. The amount includes \$393,652 of General Debt Service resulting from the July sale of Build America Bonds. The increased debt service will be funded by an increase in Intergovernmental Revenue for the interest subsidy payment from the Federal Government. The City also received \$97,049 from the Federal Government for the Retiree Drug Subsidy program. Per the program regulations these funds will be transferred to the City's Other Post Employment Benefits (OPEB) Fund.
