Dear Mayor and Council members,

I am writing to let you know that Akberet Habte has applied for a seat on the Commission for Persons with Disabilities and to highly recommend her for that position. I understand that this is an uncontested appointment, but thought that you would appreciate knowing that you will be well served by Aki, who is a graduate of the PLTI Class of 2010. She has a hearing disability yet successfully completed the course and was an involved participant. She learned how to advocate to accommodate her own needs and now wants to advocate for others.

Thank you for your anticipated appointment of another PLTI alumna.

I'd also like to refer you to this week's Gazette Packet at page 8, which features another of last year's graduates who ran a successful financial literacy program.

Thanks for your continuing support of our program.

Sincerely,

7h
