WHEREAS, it has been determined by the Council of the City of Alexandria that this encroachment is not detrimental to the public interest; now, therefore,

THE CITY COUNCIL OF ALEXANDRIA HEREBY ORDAINS:

Section 1. That Tenant be, and the same hereby are, authorized to establish and maintain an encroachment into the public sidewalk right-of-way at 277 South Washington Street as shown in the attached Encroachment Exhibits (See Exhibits A and B), in the City of Alexandria, said encroachment consisting of outdoor restaurant seating, until the encroachment is removed or destroyed or the authorization to maintain it is terminated by the city; provided, that this authorization to establish and maintain the encroachment shall not be construed to relieve Tenant of liability for any negligence on their part on account of or in connection with the encroachment and shall be subject to the provisions set forth below.

Section 2. That the authorization hereby granted to establish and maintain said encroachment shall be subject to and conditioned upon Tenant maintaining, at all times and at their own expense, liability insurance, covering both bodily injury and property damage, with a company authorized to transact business in the Commonwealth of Virginia and with minimum limits as follows:

Bodily Injury: $1,000,000 each occurrence

Property Damage: $1,000,000 each occurrence
$1,000,000 aggregate
This liability insurance policy shall identify the City of Alexandria as named insured and shall

the establishment, construction, placement, existence, use or maintenance of the encroachment.
Evidence of the policy and any renewal thereof shall be filed with the city attorney's office. Any
other provision herein to the contrary notwithstanding, in the event this policy of insurance
lapses, is canceled, is not renewed or otherwise ceases to be in force and effect, the authorization
herein granted to establish and maintain the encroachment shall, at the option of the city,
forthwith and without notice or demand by the city, terminate. In that event, Tenant shall, upon
notice from the city, remove the encroachment from the public right-of-way, or the city, at its
option, may remove the encroachment at the expense and risk of Tenant. Nothing in this section
shall relieve Tenant of their obligations and undertakings required under this ordinance.

Section 3. That the authorization hereby granted to establish and maintain said
encroachment shall in addition be subject to and conditioned upon the following terms:

(a) Neither the City of Alexandria nor any public or private utility company shall be
responsible for damage to Tenant’s property encroaching into the public right-of-way during
repair, maintenance or replacement of the public right-of-way or any public facilities or utilities
in the area of encroachment.

(b) The Tenant shall be responsible for replacement and repairs to the adjacent City
right-of-way, including any areas damaged during construction activity.

(c) A minimum of 7 feet of unobstructed sidewalk shall be maintained.

(d) In the event the City shall, in the future, have need for the area of the proposed
encroachment, the applicant shall remove any structure that encroached into the public right-of-
way, within 60 days, upon notification by the City.

Section 4. That by accepting the authorization hereby granted to establish and
maintain the encroachment and by so establishing and/or maintaining the encroachment, Tenant
shall be deemed to have promised and agreed to save harmless the City of Alexandria from any
and all liability (including attorneys' fees and litigation expenses) arising by reason of the
establishment, construction, placement, existence, use or maintenance of the encroachment.

Section 5. That the authorization herein granted to establish and maintain the
encroachment shall be subject to Tenant maintaining the area of the encroachment at all times
unobstructed and free from accumulation of litter, snow, ice and other potentially dangerous
matter.

Section 6. That nothing in this ordinance is intended to constitute, or shall be
deemed to be, a waiver of sovereign immunity by or on behalf of the City of Alexandria or any
of its officers or employees.
Section 7. That the authorization herein granted to establish and maintain the encroachment shall be terminated whenever the City of Alexandria desires to use the affected public right-of-way for any purpose whatsoever and, by written notification, demands from Tenant the removal of the encroachment. Said removal shall be completed by the date specified in the notice and shall be accomplished by Tenant without cost to the city. If Tenant cannot be found, or shall fail or neglect to remove the encroachment within the time specified, the city shall have the right to remove the encroachment, at the expense of Tenant, and shall not be liable to Tenant for any loss or damage to the structure of the encroachment or personal property within the encroachment area, caused by the removal.
