RE: Charniele Herring for Alexandria Commission for Women

On behalf of the Alexandria Chapter of the National Organization for Women, I would like to recommend Charniele Herring to a position on the Alexandria Commission for Women.

Ms. Herring has been a long-time supporter of our chapter. We have watched her blossom over the years. From persevering through law school and the bar exam to become a lawyer, to working with the court system in Alexandria, Ms. Herring has gracefully and forthrightly been an inspiration to us. Also, during these years, she has been attending our local NOW meetings and contributing her time, efforts, and thoughts.

Throughout this time, we have heard her concerns for women voiced through what she has seen in her various job and volunteer commitments. With her professional background and interest and involvement in women's issues, we think she would make a fine addition to a commission dedicated to working for the betterment of women in Alexandria.

We very much hope you will find a space for her on the Commission for Women. If you have any questions regarding Ms. Herring, please do not hesitate to call. Thank you for your time in considering this request.

Sincerely yours,

Jere Gibber  
Coordinator

Dear Mr. Donnelly -

I am endorsing Susan Ross O'Brien for a position on the city's Women's Commission. She's very knowledgeable about women's issues and very enthusiastic about serving on this commission. She's a wonderful team player and an absolute pleasure to work with!

Sincerely,
