Subject: ACVA

Dan,

As you know I have a new family and as such have not been able to devote an appropriate amount of attention to ACVA since the end of my tenure as Chair last summer. In fact I had resigned in June 2000 recognizing the above and carrying certain convictions about the development of any organization requiring new blood to bring in fresh ideas and leadership. With that in mind I respectfully request that you accept my resignation and replace me on the board.

I have greatly benefited from my participation with the process of developing of ACVA. I certainly learned a lot about many aspects of being a member of a community and the pleasure that can come from working with others to do positive work. I am grateful for having had the opportunity to lead ACVA for 2 years and be a small part of shaping the landscape of tourism in Alexandria. Most of all I have sincerely enjoyed my interactions with every board member and city official.

As an extremely interested observer of ACVA's activities, I would like to encourage everyone in the organization to continue to work with as much energy and sense of urgency as we all had on the first day in 1996 at our meeting to elect the first board.

Thanks,

Peter

Dear Kerry:

As a result of my new responsibilities and relocation I am submitting my formal letter of resignation from the Waterfront Committee. The decision to leave Alexandria was a very tough one, as Nancy and I can not think of a better place to live or work. I am grateful for having the opportunity to participate in the affairs of the city through my membership on the Waterfront Committee. I am very grateful to you, the City Council and Ken Moore for giving me that opportunity.

Kerry, best wishes for continued success.

Sincerely,

Martin M. Zorn
