Comments: Dear Rose:

I wanted to advise you that the student member previously appointed to the EPC, Jessie Morales, graduated from high school this past summer and is no longer a student in Alexandria. It is my understanding that she has not contacted you directly about this and I wanted to formally confirm with you that the student position on the EPC is vacant. If you could advertise for this position, if you have not done so already, that would be great.

Thanks for your help.

Best,

Cindy Chambers

Dear Paulette, I hereby resign from the Social Services Advisory Board and the Community Advisory committee on Child Welfare issues. I would like to thank everyone at City Council and at Social Services for allowing me to participate in the SSA Board. I very much enjoyed meeting the other Board members and the staff at DHS. Unfortunately, I will no longer be able to participate due to some family related commitments. I will appreciate it if you will forward this message to all appropriate parties. Sincerely, Sheeba Ahmed
