Executive Secretary for Boards and Commissions
City of Alexandria Citizen Assistance Office

Dear Ms. Boyd:

It is with deep regret that I must hereby submit this letter of resignation terminating my position as a member of the Alexandria Commission for the Arts. This decision has been necessitated, unfortunately, due to a significant change in my personal responsibilities and circumstances.

In the capacity of an arts commissioner, I have been very fortunate to have had an opportunity to serve the community in which I have lived for more than twenty-five years. Over the past two years, I have been involved with, or observed, a vast number of men and women who consistently give a significant amount of their time, energy, and financial support to the arts in Alexandria. This vitality surely helps make our city such a special place to live and work. I have been wonderfully rewarded. Thank you.

Yours sincerely,

Ilona S. Savage

Paulette - Here it is. Thanks for the reminder. I had hoped to find some time to stay active with the SSAB, but I am traveling every week for work now and can not do it. I understand that the meetings are open, so perhaps I can attend at some point to say "hello" and "good-bye" to folks.

Lori Cole's Letter of Resignation from the Social Services Advisory Board...

November 12, 2001

**Attn: Citizen Assistance Office
To whom it may concern:**

For the last several years, I have enjoyed serving on Alexandria's Social Services Advisory Board. However, because I am getting married, I will be moving out of the city on Nov. 20, 2001 and must resign from the Board. I have learned much from the staff and my fellow Board members, and I hope that my participation has assisted the implementation of social services in the City of Alexandria.

**Respectfully,
Lori L. Cole
