**Laura Mandala
Chair
Commission on Women
Alexandria, VA**

VIA Email

Dear Laura,

Re: Resignation from the Commission on Women

I regret to inform you that I will no longer be able to serve on the Commission on Women. My work schedule has not permitted me to participate in meetings or Commission activities as I would like. It would be much better for the Commission if I step down and you were able to bring on a member who may more fully participate.

Thank you for your patience with my schedule.

Sincerely,

Olga Trujillo
