Re: District I Commission Appointment

Dear Mayor and Council Members:

I am writing to endorse the reappointment of William Conkey to the Park and Recreation Commission from District I. Mr. Conkey has served in this position on the Commission since 1999 and has proved to be a tremendous asset to our work. He was elected last month in a unanimous vote of the Commission to serve as our Vice Chair, replacing Kirk Fedder.

Over the last three years Bill has given wonderful service as our Commission's representative on the Youth Policy Commission and he would like to continue in that capacity. He has also thoughtfully and creatively represented the Commission on a number of task forces including the Rocky Versace Memorial design group, the skate park project and the Windmill Hill Task Force. His engagement of the skateboard kids in every facet of the design of the project, from site selection to equipment selection and placement was a model we hope to follow in other youth related projects.

He is a highly valued member of the Park and Recreation Commission and has the support of his fellow Commissioners. I respectfully ask that you reappoint Bill Conkey to another term on the Park and Recreation Commission.

Sincerely,

Judy R. Guse-Noritake, Chair
Park and Recreation Commission
