Mayor Bill Euille and
City Council members
City Hall
Alexandria, Virginia 22314

Dear Mayor Euille and Council members:

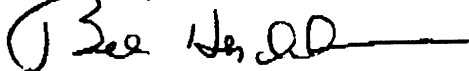

I am writing to endorse Maria Wasowski and Kevin Beekman as members of the Ad Hoc Transportation Policy and Program Task Force.

In my involvement with Maria and Kevin in land use issues in the city, I have found them to be eminently commonsensical, with no political axes to grind. They care deeply about the city and its quality of life and genuinely want to achieve commonsensical solutions to our transportation problems.

In her long-term involvement in the Potomac Yard and Arlandria planning processes, Maria has demonstrated her in-depth understanding of the land use/transportation interconnection. Kevin has exceptionally strong analytical skills and some professional experience in transportation.

Thank you for your consideration.

Sincerely,

Bill Hendrickson
