Mayor and City Council
City of Alexandria
301 King Street
Alexandria, VA 22314

Dear Mayor and City Council:

We are pleased to endorse the nomination of Melinda A. "Mindy" Lyle for appointment to the Planning Commission. Ms. Lyle would be an excellent member because of her keen understanding of community interests as well as her national reputation as an independent consultant on large development projects. Ms. Lyle has over 20 years experience in the building/development industry, currently serving as a strategy consultant on projects ranging from \$100 million to \$2 billion. She also devotes many hours pro bono assisting groups that provide affordable housing and economic opportunities.

Ms. Lyle, a ten-year resident of Alexandria, is Vice President of our Civic Association and is involved in numerous national and local non-profit organizations. She is a board member of the Good Samaritan Foundation, former board member of the Northern Virginia affiliate of the American Heart Association, member of the Eisenhower Partnership, and is affiliated with many professional organizations.

Mindy serves our community well as a facilitator between residents and the development community. She assists each side in understanding the interests of the other, and helping to resolve issues in ways that benefit all parties. We believe these personal skills are important attributes on the Planning Commission.

We believe Ms. Lyle will serve the Alexandria community with great distinction as a Planning Commissioner and thus ask for your support.

Sincerely,

Joseph S. Bennett
President

Regarding: Planning Commission Appointment

I enthusiastically support the appointment of Ms. Joanne Tomasello to this seat. She is well liked by the city and has been an active person on many fronts. Ms. Tomasello knows the varying areas of Alexandria and cares a great deal that a balance of business, residence, open space and a healthy city are achieved. I believe that she will bring a different, but long needed perspective about neighborhoods to this Commission.

Sincerely,

Comments: Planning Commission Appointment for
Joan Peterson

Dear Mayor Euille, Vice Mayor Del
Pepper and Council Members

I am writing in support of Joan
Peterson's application for membership
on the City of Alexandria Planning
Commission.

I have known Ms. Peterson for two
years, first as a neighbor and then as a
member of the Taylor Run Citizens'
Association Traffic Calming Committee
and a fellow member of the TRCA's
Executive Board.

She is diligent in her duties as Treasurer of the TRCA and as a member of the Traffic Calming Committee. She has never missed a meeting and is willing to assist other committee members when asked. She is vitally interested in Alexandria and proud of her community. Additionally she has built or renovated several homes in the area so is very knowledgeable in on issues surrounding Planning and Zoning as well as the City Code Enforcement/permit processes.

I feel she would make a definite contribution to the many complex issues that are brought before the Planning Commission and would judge the issues on their merits. I recommend her for this position without reservations.

Sincerely,

John R. Cole
