Subject: Vacancy on Alexandria Parking and Traffic Board

10/17/2003 04:38 PM

This is to recommend Kathy Burns for the vacancy on the Alexandria Parking and Traffic Board. She has been a resident of Alexandria since 1975, living in the West End. She served on the Board from 2000 to 2002 and therefore knows how it operates and has worked closely with staff. I know Kathy through Agenda Alexandria. She is a community-minded citizen with a real concern about traffic congestion and parking in Alexandria. Kathy is very conscientious and will work hard to find ways to improve Alexandria's traffic and parking issues. Appointing her will rectify the problem that there are no women currently on this Board. Thank you for your consideration of Kathy for the Board vacancy.

Mayor and City Council
City of Alexandria
301 King Street
Alexandria, VA 22314

Dear Mayor and City Council:

We endorse the nomination of Brian Tynan for appointment to the Traffic and Parking Board. We believe Brian will be a reliable and committed member of the Board. Brian has been a resident of Alexandria and of the Cameron Station community for over two years now and has expressed his commitment to the safety, progress, and general well-being of our City and community. He is eager to demonstrate this commitment through a contribution to the City's citizen government and service on the Traffic and Parking Board.

As a government affairs consultant for a variety of clients with issues before the Federal government, Brian is well-versed in issues of public policy and the challenges of its administration. A large component of his consultancy deals with transportation issues (he represents the public transportation industry), as did his prior work experience on a congressional staff. Furthermore, he has a Masters Degree in Public Administration that concentrated on State and Local Government operations, and it is this educational background that exposed him to many of the issues faced by the City of Alexandria. It is our belief that the combination of his education and his daily work on transportation policy issues, will enable him to make an excellent contribution to the Board. As transportation is, and will continue to be, a critical issue to our community and our region, we believe the City would be well-served to enlist Brian Tynan to help through an appointment to the Traffic and Parking Board.

Sincerely,

Joseph S. Bennett
President

Subject: Traffic and Parking Board

Members of Council,

I strongly urge you to vote for Amy Slack for the vacant position on the Traffic and Parking Commission. Amy has worked tirelessly as a volunteer in Del Ray, both in the Del Ray Citizens Association and activities of the Potomac West Business Association such the Halloween Parade, the Farmer's Market and also Art on the Avenue. She knows the streets and where the parking problems lie. She also is very familiar with the rest of the City. She would work very hard as she does with anything that she takes on. Does this Commission absolutely have to be all men? I think not. Amy is around during the day when a lot of the men are at work.

Thank you very much.

Members of City Council,

My name is Vera dePaulis and I have been a teacher here in Alexandria for 25 years. I am in support of Kathy Burns for the position on the Alexandria City Traffic and Parking Committee.

Kathy Burns has served and was reelected as Vice President of the Brookville-Seminary Civic Association. She lead the effort of our community in bringing needed attention to our parking and traffic situation. She was knowledgeable of the methods and procedures required to make the difference.

Kathy Burns has brought her enthusiasm and devotion to civic interest as a member of the Brookville-Seminary Constitution Committee. This involved the production a series of drafts, presented to the community for active involvement and for revisions, until there was approval and it was ratified.

It is without any reservation that I endorse Kathy Burns for this position.

Sincerely,

Vera dePaulis
