P. O. Box 178

Dear Ms. Boyd:

I write to support Mr. Dale Wurzer as Northern Virginia Community College's representative to the Alexandria Commission on Information Technology.

Mr. Wurzer has been a full-time employee at the College for more than 20 years. During that time, he has taught information systems technology courses, served as an assistant division dean, and served as the acting director of Community Education and Workforce Development for eight months.

As information technology has changed, Mr. Wurzer has maintained currency in the field. He has taken courses and attended workshops and conferences. Mr. Wurzer represented the College during the recent Virginia Community College System's revamping of all IT courses. He was responsible for writing system-wide course summaries to be used by all the community colleges in Virginia.

If you need additional information, please contact me at 703-845-6314. Thank you.

Sincerely,

Virginia H. Graves  
Dean

Ms. Rose Boyd  
301 King Street  
Alexandria, Virginia

Dear Ms. Boyd:

I am writing this letter in support of Mrs. Angela Mattocks' application for membership on the Alexandria EMS Committee.

Angela is our Assistant Administrator for Nursing (Director of Nursing) and works very closely with the EMS organization. The Alexandria EMS responds to several calls a week from Woodbine to care for and transport our residents in need of emergency services. Mrs. Mattocks has been involved in joint training and other EMS liaison efforts with Vince Whitmore to make our relationship stronger and more responsive to the needs of our community. She is an outstanding nurse and administrator and will be an enthusiastic and valuable member of your committee.

Sincerely,

Richard B. Heimendinger  
Administrator
