ORDINANCE NO. _____

AN ORDINANCE authorizing the owner of 833 South Fairfax Street Street to establish and maintain an encroachment for a fence.

WHEREAS, Tushar Suthar ("Owner") is the Owner of the property located at 833 South Fairfax Street, in the City of Alexandria, Virginia; and

WHEREAS, Owner desires to establish and maintain a brick and metal picket fence which will encroach into the public sidewalk right-of-way at that location; and

WHEREAS, the public sidewalk right-of-way at that location will not be significantly impaired by this encroachment; and

WHEREAS, this encroachment has been approved by the Planning Commission of the City of Alexandria at one of its regular meetings subject to certain conditions; and

WHEREAS, it has been determined by the Council of the City of Alexandria that this encroachment is not detrimental to the public interest; now, therefore,

THE CITY COUNCIL OF ALEXANDRIA HEREBY ORDAINS:

Section 1. That Owner be, and the same hereby is, authorized to establish and maintain an encroachment into the public sidewalk right-of-way at 833 South Fairfax Street, in the City of Alexandria, said encroachment consisting of a brick and metal picket fence, with piers no greater than five feet in height, and extending four and one-half feet into the public right-of-way along the South Fairfax Street frontage of the property, for a length of 40 feet, as generally shown on the plat and elevation drawing attached hereto, until the encroachment is removed or destroyed or the authorization to maintain it is terminated by the city; provided, that this authorization to establish and maintain the encroachment shall not be construed to relieve Owner of liability for any negligence on his part on account of or in connection with the encroachment and shall be subject to the provisions set forth below.

Section 2. That the authorization hereby granted to establish and maintain said encroachment shall be subject to and conditioned upon Owner maintaining, at all times and at his own expense, liability insurance, covering both bodily injury and property damage, with a company authorized to transact business in the Commonwealth of Virginia and with minimum limits as follows:

Bodily Injury:	\$1,000,000 each occurrence \$1,000,000 aggregate
Property Damage:	\$1,000,000 each occurrence \$1,000,000 aggregate

1 This liability insurance policy shall identify the City of Alexandria and Owner as named
2 insureds and shall provide for the indemnification of the City of Alexandria and Owner against
3 any and all loss occasioned by the establishment, construction, placement, existence, use or
4 maintenance of the encroachment. Evidence of the policy and any renewal thereof shall be filed
5 with the city attorney's office. Any other provision herein to the contrary notwithstanding, in the
6 event this policy of insurance lapses, is canceled, is not renewed or otherwise ceases to be in
7 force and effect, the authorization herein granted to establish and maintain the encroachment
8 shall, at the option of the city, forthwith and without notice or demand by the city, terminate. In
9 that event, Owner shall, upon notice from the city, remove the encroachment from the public
10 right-of-way, or the city, at its option, may remove the encroachment at the expense and risk of
11 Owner. Nothing in this section shall relieve Owner of his obligations and undertakings required
12 under this ordinance.
13

14 Section 3. That the authorization hereby granted to establish and maintain said
15 encroachment shall in addition be subject to and conditioned upon the following terms:
16

17 (a) Neither the City of Alexandria nor any public utility company shall be responsible
18 for damage to Owner's property encroaching into the public right-of-way during
19 repair, maintenance or replacement of the public right-of-way or any public facilities
20 or utilities in the area of encroachment.
21

22 (b) No plants or vegetation within the encroachment area shall exceed 36 inches in
23 height.
24

25 Section 4. That by accepting the authorization hereby granted to establish and
26 maintain the encroachment and by so establishing and/or maintaining the encroachment, Owner
27 shall be deemed to have promised and agreed to save harmless the City of Alexandria from any
28 and all liability (including attorneys' fees and litigation expenses) arising by reason of the
29 establishment, construction, placement, existence, use or maintenance of the encroachment.
30

31 Section 5. That the authorization herein granted to establish and maintain the
32 encroachment shall be subject to Owner maintaining the area of the encroachment at all times
33 unobstructed and free from accumulation of litter, snow, ice and other potentially dangerous
34 matter.
35

36 Section 6. That nothing in this ordinance is intended to constitute, or shall be
37 deemed to be, a waiver of sovereign immunity by or on behalf of the City of Alexandria or any
38 of its officers or employees.
39

40 Section 7. That the authorization herein granted to establish and maintain the
41 encroachment shall be terminated whenever the City of Alexandria desires to use the affected
42 public right-of-way for any purpose whatsoever and, by written notification, demands from
43 Owner the removal of the encroachment. Said removal shall be completed by the date specified
44 in the notice and shall be accomplished by Owner without cost to the city. If Owner cannot be
45 found, or shall fail or neglect to remove the encroachment within the time specified, the city
46 shall have the right to remove the encroachment, at the expense of Owner, and shall not be liable

1 to Owner for any loss or damage to the structure of the encroachment or personal property
2 within the encroachment area, caused by the removal.

3
4 Section 8. That this ordinance shall be effective upon the date and at the time of its
5 final passage.
