

City of Alexandria, Virginia

MEMORANDUM

DATE: APRIL 19, 2005

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMAN, CITY MANAGER 

SUBJECT: BUDGET MEMO #72 : QUESTIONS REGARDING THE CREATION OF A YOUTH VIOLENCE PREVENTION COORDINATOR

This memorandum responds to a request from Councilman Gaines to provide the feasibility and costs, if any, associated with creating a Youth Violence Prevention Coordinator to coordinate the City's gang prevention efforts, and costs, if any, associated with promoting gang prevention programs Citywide.

During federal fiscal 2005, Congressman Wolf was able to secure several million dollars for the jurisdictions in Northern Virginia for gang resistance activities. The federal dollars for this project are being managed by the Town of Herndon. The funds will be used for the Northern Virginia Regional Court Service Units to fund gang specialist positions to coordinate local and regional gang intervention and prevention efforts.

On November 10, 2004, the City Manager convened a Senior City Policy Group on Gangs which meets monthly and is a support mechanism for the Alexandria Gang Prevention Community Task Force (described below). The Senior Policy Group is made up of senior staff from City departments that are involved in gang suppression, prevention and intervention activities, along with the State agencies located in Alexandria that are also involved in these types of activities. The Senior Policy Group is chaired by Assistant City Manager Michele Evans.

On December 10, 2004, Resolution 2128 (attached) was adopted which establishes, identifies the general make-up of, and provides a charge for a new 13-member Alexandria Gang Prevention Community Task Force. This task force will receive information on regional and local gang activity, the City's efforts in gang intervention, prevention and suppression, and potential programs and activities that are being developed to address gangs. The task force will also make recommendations to Council on needed changes in legislation and policy and the funding that might be required to address gang concerns.

The City's FY 2006 Proposed Budget contains recommended supplemental budget funding for a Gang Intervention Coordinator, who will coordinate local and regional gang intervention and prevention efforts. Federal grant monies will be available for the salary and benefit portion of this position only in the amount \$65,000. The FY 2006 Proposed Budget contains an additional \$28,571, for additional salary and benefits. The FY 2006 Proposed Budget also contains \$5,000 in non-personnel expenditures to provide additional support for gang prevention activities.

There is a significant workload associated with coordinating all gang intervention, prevention and suppression efforts. In the interim, until grant funding for the new position is available on July 1, Linda Odell, Court Services, and Deborah Warren, Mental Health, Mental Retardation and Substance Abuse are assisting with the many tasks that must be accomplished. These include planning for conducting a community assessment on gang activity, preparing an inventory of community resources, seeking funding for added programs including a fall community summit on gangs sponsored by the community task force, and expanding our capacity for community evaluation. Once hired, the person in the new position will serve as the City's liaison to the regional task force on gang prevention and will be the key staff person to coordinate City anti-gang efforts among City departments.
