

City of Alexandria, Virginia

MEMORANDUM

DATE: APRIL 20, 2005

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMANN, CITY MANAGER 

SUBJECT: BUDGET MEMO # 73 : IT PLAN PRIORITIES

In response to Councilman Macdonald's request for a prioritization of the IT Plan by the CIP priorities categories of: "Essential", "Very Desirable", and "Desirable", the attached list has been prepared. It should be noted that the list reflects the reduction of \$1.5 million in projects presented at the April 11 work session and the shifting of most of these projects to FY 2007. While at this time this appears to fiscally overload FY 2007, when the IT Plan is reworked next fall, the FY 2007 year of the plan will be re-prioritized and some projects will be shifted to FY 2008 or later.
