I. DISCUSSION

REQUEST

The applicant, Starbucks by JBG Rosenfeld Retail and Jonathan Rak, attorney, requests special use permit approval for the operation of a restaurant (coffeehouse) located at 3113 Duke Street.

SITE DESCRIPTION

The subject property is two lots of record with a combined frontage of approximately 1,138 feet on Duke Street and a total lot area of 12.6 acres. The site is developed with the Alexandria Commons Shopping Center. Access to the property is from Duke Street and with Yale Drive providing access to the rear of the shopping center.

CURRENT CHARACTERISTICS

Alexandria Commons, located on the north side of Duke Street just east of the intersection of Duke Street and Quaker Lane is a shopping center comprised of approximately 145,600 square feet of retail, office, and personal service space, and 634 parking spaces. Starbucks would be located in a tenant space in the eastern portion of the shopping center. The uses directly surrounding the Starbucks include a wine and gourmet shop, a games shop, a dry cleaner, and a restaurant.

PROJECT DESCRIPTION

- Hours: The applicant proposes to operate from 5 a.m. to 10:00 p.m. Monday through Friday, 6:00 a.m. to 10:00 p.m. on Saturday and, 6:00 a.m. to 9:00 p.m. on Sunday.
- # of seats: The applicant proposes 38 seats total (30 indoor seats and 8 outdoor seats).
- Noise: Noise levels will be consistent with a restaurant use.
- Trash/litter: Trash will be collected in a trash compactor located on the western side of the Giant grocery store and collected on a daily basis. Litter will be controlled by the management company.

PARKING

Section 8-200(A)(8) of the Zoning Ordinance requires a restaurant of 38 seats to have 10 parking spaces, and the applicant has provided 10 parking spaces. The shopping center has a total of 634 parking spaces. (See attached chart for parking allocation for the shopping center.)

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the CG/Commercial General zone. Section 4-403 of the Zoning Ordinance allows a restaurant in the CG/ Commercial General zone only with a special use permit.

The proposed use is consistent with the Taylor Run Small Area Plan chapter of the Master Plan, which designates the property for commercial use.

II. STAFF ANALYSIS

Staff supports this new restaurant at 3113 Duke Street. The applicant has provided the required amount of parking and staff has few concerns over parking and circulation in this section of the shopping center parking lot. The applicant has proposed outdoor dining, which will enhance the pedestrian environment of the center. Staff included the standard restaurant conditions, and a one year review to ensure the applicant is in compliance. Additionally, on May 17, 2005, staff attended a meeting of the Seminary Hill Association to discuss the project.

Staff recommends approval of this special use permit.
