

Alexandria SBDC

VISION Statement:

The Alexandria Small Business Development Center helps small businesses succeed!

MISSION Statement:

The Alexandria SBDC strengthens small businesses and promotes economic growth by providing quality services such as management consulting, educational programs and access to business resources.

VALUES Statements:

FREE ENTERPRISE: We believe that small business is vital to the growth of our economy and that achieving profit in business is a worthy goal. Business ownership is one of the great opportunities in America. With the opportunity comes a certain amount of risk and responsibility, which the owner must assume.

CLIENTS: We welcome clients to a pro-business climate. Our highest priorities are to respect our clients and value their enormous impact and entrepreneurial spirit.

OUR ROLE: As service providers we believe our role is to be open, positive, knowledgeable and helpful while providing our clients with professional, timely and meaningful assistance.

QUALITY: We believe in providing our clients with uncompromising excellence.

COMMUNICATION: We believe that the information we provide must not only be accurate and current, but must also be conveyed clearly and succinctly.

CONFIDENTIALITY: We honor the trust and confidence of our clients by keeping all their information confidential.
