Subject resignation from A.C. .E.

Dear Ms. Mendenhall:

I apologize for the delay in getting back to you. We have been in process of arranging a re-licitation to new offices which has caused me to fall behind in other areas. Again, I apologize.

I am requesting that I my service as a commissioner on the Alexandria Commission on Employment (ACE) terminate effective immediately so I can serve on the Alexandria Commission on Aging. I have enjoyed my service on the ACE however I believe my experience and skills can be utilized more effectively when applied to the work of the CoA. Thank you for the opportunity to serve on these important commissions.

Respectfully,

Eileen H. Longstreet

Hi all -

Sorry for the late notice on cancellation of yesterday's meeting. Nechelle informed me that several people had called in with absences, and I felt it was the prudent thing to do, rather than have a small group gather.

Please plan on attending April's meeting if you at all can. Unfortunately it will be my last meeting as the Commission's chair. My girlfriend and I are moving to Charlottesville in early May so that she can attend UVA law starting in the Fall. Accordingly, we will have a Chair election next month. I would encourage any or all of you to run, and if you have any questions about what the position entails, I would be more than happy to answer those. It has been an honor to serve on the Commission and with you over the last five years.

My best,
John

Greetings, I am retiring after 20 wonderful years of service to our great nation and want to thank each and every one of you for all the things you do to support our future, "the youth". The benefits of being a member of the Youth Policy Commission, for the past two years, has been a blessing and I will always remember the commitment, dedication and vision you all have for the youth of our community. I couldn't have asked to be on a better committee and am honored to have served with such wonderful and professional individuals. I will depart the area next month to begin my next career at the Department of Human Resources in Atlanta, Georgia. Below is an invite to my retirement ceremony and I would be honored if you could attend. Again, thanks for all that you do!

Re: Ms. Christina Richardson Jones
Alexandria Youth Policy Commission Resignation

Dear Ms. Boyd:

I hereby tender my resignation from the Alexandria Youth Policy Commission. My term was from 06/14/05 through 10/28/06.

I was asked by your office to resign because I have just been appointed to the Citizen Corps Council and it is not permitted to serve on more than one board or commission at the same time.

I enjoyed my time on the Commission and am working hard on the Citizen Corps Council. It is truly an honor to be able to serve this wonderful city of ours. I would encourage every voting citizen to take participation to this next level of individual commitment to our city. Our elected officials and all the City staff need our support and our hard work to keep us moving forward.

Thank you,

Christina Richardson-Jones, PHD, SFO
