Subject: Potomac Yard Design Advisory Committee (PYDAC) Endorsement

On September 27 you will be asked to fill a vacancy on the Potomac Yard Design Advisory Committee (PYDAC). The Executive Committee of the Del Ray Citizens Association is pleased to endorse Bill Hendrickson for re-appointment as PYDAC's representative from the Potomac West area.

As a 13-year resident of Del Ray, Mr. Hendrickson has served the City in a number of capacities. He has served as PYDAC's chairman since the committee's inception, and has built strong relationships with all of the interested parties in Potomac Yard development. Mr. Hendrickson is also a member of the city's Parks and Recreation Commission and serves as the Commission's representative to the Open Space Steering Committee. He has been active as a citizen representative on the city's Urban Forestry Committee and has been involved with other major planning initiatives including the Mt. Vernon Plan Work Group. Mr. Hendrickson is a former DRCA president and land use committee chair and is recognized as a major activist on planning and land use issues in the city.

With major transportation, planning, and recreation issues being addressed this fall, Mr. Hendrickson's extensive, multi-disciplinary experience will continue to add a vital dimension to PYDAC's deliberations and recommendations.
