Dear Ms. Mendenhall,

I am sorry to inform you of my resignation from the Alexandria-Caen Sister City Committee. I have greatly enjoyed my time on the committee and value the relationships I have made with the other committee members however my current schedule does not allow me to continue to participate to the extent that the post requires.

Sincerely,

Subject Resignation

Dear Ms. Mendenhall:

This is to express my regret at needing to resign as a commissioner on the Commission for HIV/AIDS. I have not been able to attend with any regularity at all in the past and it seems that will not be changing in the future. I thank you all for the opportunity to be involved with the City of Alexandria and this particular commission.

Subject: Resignation

Dear Members of the ACVA Board of Governors and Staff,

It is with sadness that I find it necessary at this time to submit my resignation from the Board of Governors with the Alexandria Convention and Visitors Association. Unfortunately, since beginning my new job on the Hill, I have found it extremely difficult to make it our Monthly Board meetings as has been evident with my many absences.

I wanted to express my thanks to the ACVA Staff for all their help and for the outstanding job they have always done. They are truly one of the most dedicated, professional, and committed group that I have had the fortune to work with. I also wanted to say what an honor it has been to serve with so many distinguished members on the Board. Serving on this Board has been such a rewarding experience and one that I truly have been grateful and honored to have gotten to do.

The Alexandria Convention and Visitors Association has such a critical role to play in the success of our wonderful City and I feel so fortunate that it has such outstanding volunteers and staff leading the way.

Thank you for the opportunity and I hope to stay in touch and help in any way I can.

With sincere regards,

Gayle

Dear Mayor Euille:

Serving on Alexandria's Woodrow Wilson Bridge Neighborhood Task Force has been a distinct privilege, and I regret that my recent assignment to work in Olympia, Washington means that I must give up my position. My commuting schedule while we build a child welfare system for the State of Washington makes mid-week meeting attendance impossible.

The impending impact of bridge construction on the Eisenhower East neighborhood is of growing interest to my neighbors, and Lee Hernly, another Carlyle resident, has expressed interest in filling the neighborhood's vacancy on the Task Force. My thanks to you and the other members for allowing me to participate—however briefly—in this interesting and vital example of the citizen government that makes Alexandria unique.

Yours truly,

/s/

Re: Resignation

Dear Mayor Euille:

I graduated from high school on May 24 and will turn 18 on June 27, 2007. My position on the Youth Policy Commission is "Youth under 18 years of age" and as I will miss the June 6th meeting I feel that I should now resign my position so that the Youth Policy Commission may fill it with another person who fits the criteria for the position.

I really enjoyed being a part of such a noble group and working with you to help those of Alexandria's youth who are less fortunate than I. Thank you for all your help and generosity. I am sure you all will continue to make positive changes for Alexandria's youth, and look forward to hearing more about the Commission's projects in the coming years.

Sincerely,
John Artemel
