Dear Pat. It is not without mixed emotions that I submit my resignation from the Commission. As you know, I have accepted the role of public art/festival coordinator with the Department of Recreation, Parks and Cultural Affairs. I believe that, in this position, I will be able to serve the Commission and advance the cause of cultural development in Alexandria better, and with greater intensity, than I could even as Commissioner. I look forward, enthusiastically, to supporting the work of the Commission and to helping it implement exciting new initiatives for the benefit of art, artists and Alexandria.

Patti

Subject ACE Resignation

Hello Dennis,

I regret to inform you that I am going to need to resign from the Alexandria Commission on Employment, effective immediately. I am resigning due to an impending life change - my first child is due in January - that is forcing me to focus solely on my career and my family. I was really hoping to be able to continue serving the ACE, but I've found that I'm just not able to do it along with the demands of my job and my pregnancy (which will only increase once I have the baby).

Please let me know if I need to inform anyone else of my resignation. I enjoyed working with you and the rest of the members of the ACE. I wish the best for JobLink and the ACE.

Thanks for your understanding.

Best regards,  
Lynda
