## MEMORANDUM

DATE: APRIL 18, 2007

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMANN, CITY MANAGER 

SUBJECT: BUDGET MEMO # 56: ADD/DELETE INSTRUCTIONS

---

The purpose of this memorandum is to provide instructions and clarification for the FY 2008 budget add/delete process. As specified in Resolution 2205 and restated in Budget Memos #1 and #6, notification of budget increases (adds) of more than \$50,000 were due to OMB by April 2<sup>nd</sup>. Adds of \$50,000 or less, and adds of more than \$50,000 that are requested by at least five members of City Council<sup>1</sup>, are due to OMB no later than April 25<sup>th</sup>.

The attached add/delete spreadsheet includes a list of potential adds of more than \$50,000 received from City Council members and identified in Budget Memo #31, as well as technical revenue and expenditures adjustments as identified in Budget Memos #32 and #33. It also includes options for increasing the real estate property tax to the maximum rate allowable of \$0.835 and for funding up to a 2.0 percent cost-of-living-adjustment (COLA) for City and Schools employees.

Resolution 2205 also requires that all adds be submitted with corresponding revenue increases or expenditure reductions (deletes) of equal value. (Council members may withdraw or reduce any of the adds submitted earlier and contained in Budget Memo #31.) For funding of adds, you may use the net technical revenue re-adjustments of \$3.5 million and the net technical expenditure reductions. Also, you could use the \$180,000 in additional tax collection fees which Council has authorized the next steps toward approval.

Also note that in order to approve a General Fund budget of more than the \$353.4 million for the City government and the \$155.5 million for the Schools established as the budget targets in November and proposed by the City Manager in February, at least five members of City Council must vote affirmatively.

Please provide adds of \$50,000 or less, applicable adds of more than \$50,000, and deletes to OMB no later than April 25<sup>th</sup> so that they may be distributed to Council prior to the preliminary add/delete work session on Monday, April 30, 2007.

<sup>1</sup> From Resolution 2205, Section c-4:

It shall not be in order for any member of the Alexandria City Council to initiate any amendment to the proposed budget of the City of Alexandria which would increase any specific budget outlay by more than \$50,000, unless written public notice of the member's intent to offer such an amendment, and a general description of the proposed amendment, is given to the City Manager and City Clerk at least one week prior to the spring budget public hearing.

- (a) The provisions of this paragraph may be waived if the proposed amendment is raised by a member of the public at the spring budget public hearing (but not amendment raised at the separate public hearing on the effective real estate tax) and at least three members of the Alexandria City Council formally request a budget memorandum from staff in regard to such proposed amendment within 3 days of the public hearing.
- (b) The provisions of this paragraph also may be waived for good cause by an affirmative vote of five Council Members. As used in this paragraph, "good cause" shall include, but not be limited to, a change in the amount of state or federal funding included in the proposed budget.
