City of Alexandria, Virginia

MEMORANDUM

DATE:

APRIL 19, 2007

TO:

THE HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM:

JAMES HARTMAN, CITY MANAGER

SUBJECT:

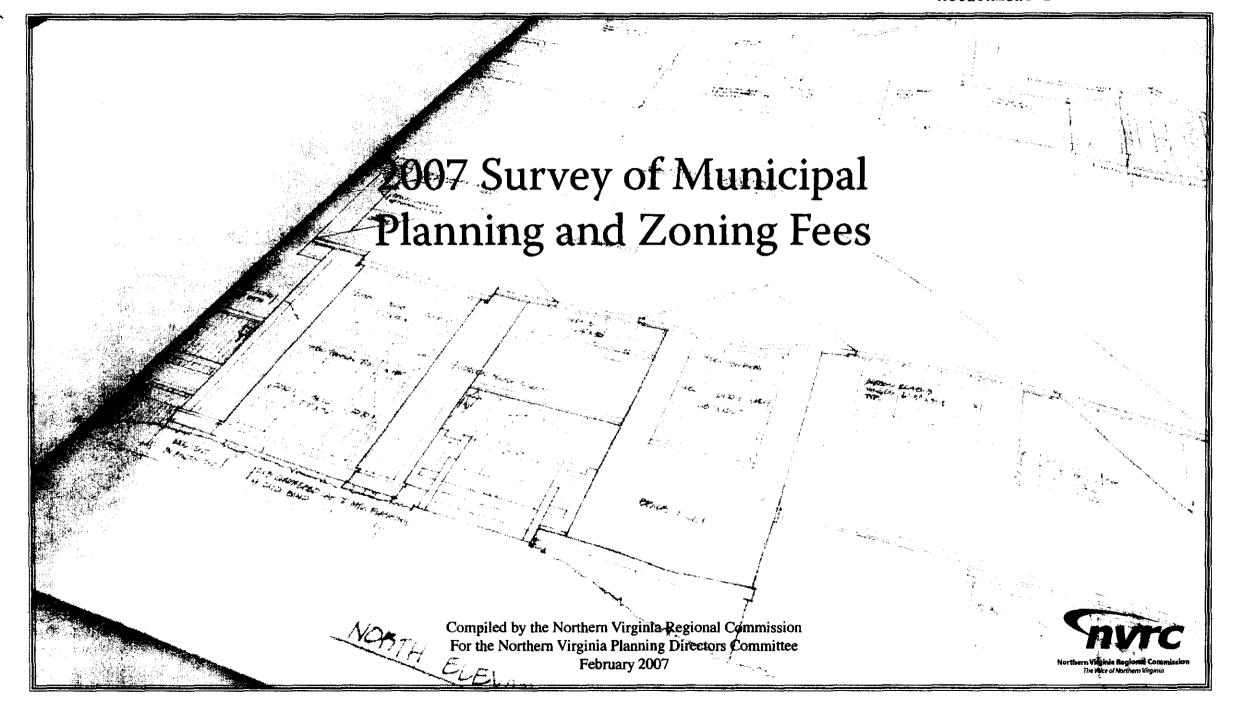

BUDGET MEMO # _ 58 : A LIST OF PLANNING FEES BY JURISDICTION

This budget memorandum is in response to Vice Mayor Macdonald's request: **Provide a list of** fees and how they compare to other jurisdictions.

The attached table shows a 2007 jurisdictional survey of planning fees compiled by the Northern Virginia Regional Commission in February 2007. It should be noted that planning fees vary considerably across jurisdictions. The City's planning fees are comparable, particularly, with Arlington and Fairfax counties when computed out. One major difference is that the City has a fee cap of \$20,000 for site plans, while other jurisdictions do not. The Planning Department will be considering the pros and cons of elimination of this limit in the future.

The following abbreviations used on the survey, are explained for the reader's convenience:

CO	Certificate of Occupancy
