**Subject:** ACoHA Resignation

Greetings:

I am writing to resign from the Alexandria Commission on HIV/AIDS. In January, I will relocate to New Jersey, leaving me unable to maintain my membership. I sincerely appreciate the knowledge and experience I have gained through my involvement with this organization and its members. I wish ACoHA all the best in continuing to serve a function of vital importance to the city of Alexandria.

Best regards,

Eileen Mathis nterrell.vcf

Subject Resignation from the Consumer Affairs Commission

Due to conflicting obligations, I hereby resign my position on the City of Alexandria Consumer Affairs Commission. It is my intention for this to be effective immediately, absent advice from you that something further needs to be done by me before departure.

Although the Mayor's Dollar Wise Campaign is not technically a city Commission, my resignation applies to those duties as well. I hope you will convey this to the Mayor. Naturally, my successors in these position should feel free to contact me for any information they require to carry out their duties to the city.

Sincerely,  
ALAN DUBOW
