SHA HUNTING TERRACE RESOLUTION

Whereas, the Hunting Terrace site on South Washington Street is an important gateway to the City of Alexandria, and

Whereas, the City and the National Park Service have a 77 year old agreement to maintain and foster the character of the George Washington Parkway on Washington Street; and

Whereas, the site is located within the Old and Historic District of Alexandria; and

Whereas, both the Council-approved Small Area Plan and the Washington Street Standards limit mass and scale on the site.

Now therefore be it resolved, that the Board of the Seminary Hill Association endorses the concept that redevelopment at the Hunting Terrace site should be in keeping with the 18th and 19th Century historic image and brand of the City and the character of the GW Parkway.
