Dear Rose:

I am writing to advise you that I will resign my at-large position on the Alexandria Commission for Women effectively immediately.

It has been my pleasure to work with extraordinary women in the support of the invaluable programs offered by the Office On Women. My tenure as a commissioner has brought friendships that I will truly miss, and an even greater personal dedication to the cause of women and families in Alexandria.

Many thanks to the City of Alexandria for this amazing opportunity.

Sincerely,

Donna C. Kloch

Subject Message from Alysia Lajune

Hi Dennis,

This is Alysia Lajune. I'm having trouble accessing my email, so I'm typing

from my mother's account.

I just wanted to let you know that, due to a family emergency, I've had to relocate to Mississippi. My decision was made on the 23rd and I was out of my Alexandria apartment on the 31st, so there was very little time to notify everyone of the move.

I just received a call from Carl Mintz who's been working on some things for me, per your instruction. I regret that I'm unable to consider jobs in VA, but I really need to be/stay where I am to resolve some very serious matters. Please know that I'm deeply grateful to you for your time and efforts, and equally appreciative of Mr. Mintz for quickly jumping on the case! You will both be tremendously blessed for your help.

FYI: I will submit a formal letter of resignation to ACE within the week.

With admiration,

Alysia Lajune

Subject Resignation from ACE

Hi Dennis -

I am unfortunately in a position where I have to resign from ACE due to uncompromising work commitments, my inability to attend and contribute measurable value, and my return to pursue my MBA which altogether consumes about 115% of my time. That, combined with my upcoming wedding just leave no time for other commitments, including the ACE. I feel indebted for being permitted the opportunity to participate in our local government and to learn more about the wonderful work your team leads, and am grateful for your understanding in my decision. As mentioned, I just do not feel that I can participate or commit to the level that is worthy of being a member of your Commission. I do wish you and the rest of the ACE all the best in your future activities and I look forward to hearing wonderful things about your accomplishments.

Very Respectfully-  
Ken

Subject Resignation

Hi Jean,

I have accepted a job in Wisconsin as a patent attorney and will be moving next week. Sorry for the late notice (I was still looking for positions in the Alexandria area up until recently), but I will have to resign my position as commissioner on the Alexandria Human Rights Commission. Of course, it has been a great experience working with you and the other commissioners. Also, I think it was harder to make the decision to leave Alexandria knowing I wouldn't be able to be on the Commission (although, I only played a small role on the commission) than it was to leave my job!

Please let me know of any formalities I must follow to properly resign.

Thanks,

Mike Hess
