Ken -

I am sorry I missed the meeting; my mom fell gravely ill on the 23d and I was on the first plane going west to Michigan and stayed until I was sure it wasn't going to be the last good bye.

Though she is out of the woods, she is still a sick lady and I plan on going home every 2-3 weeks until I am satisfied she is back to normal, or the new normal.

I also work in Vienna now doing 10 hours a day and starting (restarting) my Masters program again.

Sadly, there is no way I can continue working with the Gyumri Sister City Committee. I made many new friends and learned a lot but I am not pulling my weight on the team. I feel I should resign so that someone with more available time can support this most worthy cause.

Thanks for all your support over the last two years and please extend my thanks to the team for their friendship but most of all for their commitment to the people and future of Gyumri.

I am sure our paths will cross again, especially in the food line at the Festival!

Kindest regards

Toni

Chair, Amanda Babcock
Alexandria Commission for
People with Disabilities

RE: Commission Member ROBERT F. WOOLLARD

Dear Amanda,

Because of my decreasing health condition due to Parkinson's disease and also because I hope to undergo, Deep Brain Stimulation Surgery this spring for Parkinson's, I feel that it is appropriate that I resign from the Alexandria City Commission for People with Disabilities (ACPD).

I have enjoyed my eighteen months on the Commission and feel that I have firmly established the purpose and mission for its ACPD Housing Committee, where I served as the chairman. I will forward to Mike Hatfield my "files" on the Housing Committee that include the matrix task list and the PowerPoint Briefing on the purpose of the Housing Committee. I will be available to help the new committee chair with any of these documents.

Sincerely,

COL(R) BOB WOOLLARD

Subject: Resignation from SSAB

Dear Councilmembers,

After nearly 3 years working with SSAB and 2 years

as the vice-chair of the SSAB, it is with regret that I must resign. I am

committed to serving the people in the City of Alexandria where I reside,

however, it has become challenging to collectively work as we have in the

Comments: past towards that goal with the current newly elected chair. Therefore, I

may consider working on other committees in the future. In the meantime, it

has been my pleasure.

Thank you,

Orisade Awodola
