Subject: Resignation of Kevin Holmes

Good afternoon,

I am writing to inform you of my resignation from the Alexandria-Caen Sister City Committee.

Since my appointment in February I have been able only to attend one meeting, and due to work priorities, I have been unable to attend others including the upcoming fundraiser to be held next weekend.

I believe it is in the interests of the City and the Committee to resign my appointment with minimal disruption, and allow another citizen to serve on the committee.

I thank the City for this appointment, and for making Alexandria a great place to live.

Best regards,
Kevin Holmes

Subject: Resignation

Sharon and Joe,

It with tremendous regret I inform you that I must resign from the committee. My health and schedule dictates that I must, unfortunately, scale back on several activities. While I truly endorse all the GW Celebration committee strives to achieve, I cannot commit and let this outstanding organization down.

My formal written resignation is enroute to city hall.

I look forward to great progress over this year -- both for your endeavors and my situation.

thank you so very much.

Warmest regards,
Cherie Zadlo

Subject: Resignation

Jason,

It is with some regret that I must resign from the commission. I have decided to take a position in Richmond and will be relocating there next weekend. I have enjoyed working on the committee and wish all of you well.
