Dear Dennis,

It is with great regret that I inform you of my resignation from the Alexandria Commission on Employment and the Arlington/ Alexandria Workforce Investment Board. My wife and I have just accepted employment in Albuquerque, New Mexico and we are moving there. Albuquerque is where my wife is from and we will have more friends and family there. My newborn son influenced this decision greatly as we have no family here in the DC area to help take care of him as much as he needs.

I have thoroughly enjoyed working with you on the ACE and have learned many good lessons about local government. Thank you for your time.

Sincerely,

  
Brent M. Eastwood, PhD

Subject stepping down from EPC

Hi Rose,

I just called your office and they asked me to write to you via email instead...

I have been on the Environmental Policy Commission for the past 20 months or so. I need to step down due to increased commitments at home, work and church. I have informed Danielle Fidler, Chair of EPC, of this already.

Thanks for taking me off the roster of EPC folks. Please let me know if there is anything else I need to do.

Best,  
Jerry

Subject RE: Charter Update

Dear Danielle and EPC,

As many of you know, I have accepted a faculty position at North Carolina State University and will be moving this summer. With many commitments to fulfill in a short amount of time, I can no longer continue to serve on the EPC. With a heavy heart, I'll resign from the EPC effective Monday April 21. However, I will help with the Earth Day set-up and I will see Joy and the others at 7:30 Saturday morning.

It has been a distinct pleasure working with all of you on the Eco-City Alexandria project; this has been a unique and fulfilling experience. I hope to find a similar community in Raleigh.

Best wishes,  
Chris

Ms Mendenhall,

As you will know, Phillip Bradbury, who has served well and so long as our External Affairs Committee Chairman, has given up his post and I have appointed Karen Norris to that position. She has been very active in the Committee and will be a great replacement for Phill.

I would like to nominate Karen to also fill the seat which Phill held on the Neighborhood Task Force (NTF). Again, Karen has the background on the work of the NTF and the issues with which it has dealt.

Porto Vecchio is pleased to be active in the neighborhood and we would be pleased to have Karen Norris represent us. We hope you will agree.

Sincerely,
