Subject: Resignation

Dear Mike and Amanda;

Due to a sudden change in work responsibilities, I will have to resign my position with ACPD, effective immediately. Although I have only been on the Commission for a short time, I have enjoyed being part of such an important effort on behalf of people with disabilities.

Please let me know if I must draft a letter of resignation to the City Council or if this will suffice.

Christine

P.S. To Joe and Chet: I'm sorry not to have had more of an opportunity to work with you on the employment committee.

Subject My resignation from the GWCC

Good morning Kay, here is my official resignation from the George Washington Celebration Commission. The demands of my house renovation and additional hours at work prevent me from continuing my membership on the commission. Please thank the City Council for putting their trust in me all these years. Thanks, Anne Haynes

My mom has recently sent out a press release announcing our family's move to Vienna, Austria at the end of this summer. It is because of this that I will have to withdraw from the commission. I appreciated the opportunity it provided and enjoyed learning more about the inner-workings of my city. Best to all, Amara Vogt.
