Subject Resignation

Pam:

It is with much regret that I am submitting my resignation from the Archaeology Commission, effective immediately. This is due to medical problems I am experiencing. I have and continue to experience pain whenever I stand and/or walk and the pain is getting progressively worse. I was unable to attend the recent walking meeting (June or July) as well as to attend any of the recent Freedman Cemetery programs because of the walking and standing involved. I was diagnosed on Tuesday of this week as having Spinal Stenosis and I will begin a series of treatments and undergo surgery later.

I have enjoyed my time with the organization and learned a lot about Alexandria and was beginning to understand somewhat the intricacies of archaeology, thanks to you in a very large part. I also thank the organization for allowing me to be a part of it.

I wish you all the best.

Samuel D. Lang
