ORDINANCE NO. _____

AN ORDINANCE to amend and reordain Section 2-4-7 (APPOINTMENTS TO COMMITTEES), of Article A (GENERAL PROVISIONS), Chapter 4 (COMMITTEES, BOARDS AND COMMISSIONS), Title 2 (GENERAL GOVERNMENT), of the Code of the City of Alexandria, Virginia, 1981, as amended, by adding thereto a new subsection (k) (COUNCIL ALTERNATES)

THE CITY COUNCIL OF ALEXANDRIA HEREBY ORDAINS:

Section 1. That Section 2-4-7 of the Code of the City of Alexandria, Virginia, 1981, as amended, be, and the same hereby is, amended and reordained by adding thereto a new subsection (k) to read as follows:

Sec. 2-4-7 Appointments to committees.

(a) Unless an appointment or reappointment to a committee is expressly vested by law in the courts or in come other body, all appointments shall be made by the city council. No person shall be appointed to any committee without the affirmative votes of at least four members of the council.

(b) Before appointing or reappointing any person to a committee, the executive secretary shall give public notice of the impending appointment and cause the same to be advertised in the form and manner prescribed by law for public notices at least 21 days prior to consideration by the city council of the appointment or reappointment. Insofar as practicable, the notice shall indicate the name of the committee, the number of positions to be filled, any special occupational, professional or other qualifications that may be required for a particular position and the time within which the application required by subsection (c) of this section must be filed. Where a position can be filled only by a designated member, the notice shall also include the name of the organization, group or committee from which such member must be designated.

(c) No person shall be appointed or reappointed by the city council to any committee until there is first submitted and filed with the executive secretary an application form. No person shall submit an application for membership for more than one committee position at any city council meeting at which appointments to committees are considered. Such application shall include personal data with respect to the applicant's name, address, age, educational background, practical experience, length of residency, employment of the applicant or any relative by the city and any special qualifications that the applicant possesses for a particular position. Applications must be filed with the executive secretary not less than seven days prior to the date that the appointment will be considered by the city council.

(d) Unless its enabling legislation expressly so provides, or unless waived by a majority of the city council when it deems such waiver in the best interest of the city and such waiver is not prohibited by any provision of law, no person shall be appointed to a committee unless at the time of the appointment the person is a resident of and residing in the city, and the person shall cease to be a member of a committee upon becoming a resident of any other jurisdiction.

1 (e) No person who holds any office or position in the city for compensation shall be
2 appointed to any committee which is involved in, responsible for, oversees or regulates the
3 subject matter, policy or rules of the city department or agency by which the person is employed.
4 The executive secretary shall review all applications for appointments to committees. The
5 executive secretary shall advise the council whether, in his or her opinion, the appointment of the
6 person to the committee for which application has been made would result in such a situation.

7
8 (f) No person shall be appointed by the city council to more than one standing committee, or
9 to more than one standing committee and one temporary committee, at the same time except as a
10 designated member; provided, that, for the purposes of this subsection, a regional committee
11 shall not be considered a standing or a temporary committee.

12
13 (g) Any person appointed to a committee shall, upon appointment, agree to comply with the
14 provisions of chapter 5 of this title, concerning ethics, conflicts of interest and ownership of real
15 property and, where applicable, the provisions of sections 2-5-11 to 2-5-16 of this code.

16
17 (h) Every person appointed by the city council to any committee shall, on or before
18 undertaking a position on such committee, qualify by taking the following oath or affirmation
19 before the clerk of the circuit court or other officer authorized to administer oaths or
20 affirmations:

21
22 I do solemnly swear (or affirm) that I will support the Constitution of the
23 United States and the Constitution of the Commonwealth of Virginia,
24 and that I will faithfully and impartially discharge and perform all the
25 duties incumbent on me as (insert title of office) according to the best of
26 my ability (so help me God).

27
28 (i) (1) The head of each committee shall keep or cause to be kept a record of each
29 appointee's attendance at meetings of the committee, and shall, on or before July 1 of each year,
30 forward to the executive secretary in writing, a copy of each attendance record for the
31 immediately preceding 12 months. Appointees to committees shall attend at least 75 percent of
32 the meetings of the bodies on which they serve each year. If the attendance record reflects that
33 any appointee does not attend at least 75 percent of the meetings, the executive secretary shall
34 advertise a vacancy so that city council can proceed to fill the vacancy at the first regular council
35 meeting held in September, following any year during which an appointee has not attended at
36 least 75 percent of the meetings. The executive secretary shall also forthwith notify the appointee
37 of this action. The office of any appointee who has not attended the required number of meetings
38 shall be automatically deemed vacant on the date of the abovementioned council meeting in
39 September. If at any time during a year, a majority of the committee concludes that an appointee
40 will be, based upon the appointee's attendance record, unable to meet the 75 percent attendance
41 requirement, it may immediately direct the committee head to request the city council to declare
42 the position vacant. If council determines that sufficient meetings have already been missed such
43 that the 75 percent attendance requirement will not be met, it may declare the position vacant and
44 may make an appointment to fill the vacancy for the remainder of the existing term of office of
45 the appointee whose position was declared vacant.

1 (2) The committee head may excuse the absence of an appointee from a meeting
2 or meetings if informed by the appointee of the absence within a reasonable period of time in
3 advance of the meeting. Such excused absences shall not be considered by the committee head
4 when preparing the appointee's attendance record but shall be noted as "excused absences" on the
5 record.
6

7 (j) Any person appointed to a committee by the city council may be removed by the city
8 council for neglect of duty or violations of this article or any other provision of law.
9

10 (k) Notwithstanding any contrary provision of this chapter, a member of city council, who
11 serves a member of a committee established pursuant to this code, may appoint another person to
12 represent the council member as an alternate member of such committee. Any such alternate
13 member shall be appointed in writing, filed with the executive secretary and city clerk. Any such
14 alternate member shall serve at the pleasure of the council member making the appointment, and,
15 in the absence of the council member, may exercise any or all of the rights, privileges and duties
16 of the council member on such committee.
17

18 Section 2. That this ordinance shall be effective upon the date and at the time of its
19 final passage.
