**Subject:** Resignation

Colleagues, despite my best efforts to change things, one of my work mandates is going to require me to give regular Monday evening lectures out at NIH/Bethesda to post-docs in selected oncology programs and this has already interfered with my ability to attend Commission meetings. Now that the lecture schedule is confirmed, I must tender my resignation. I'm not sure how to do this officially -- but will do so in that manner. I have already mentioned the possibility of this to the Commission for Women, and will now actively seek another individual to replace me.

I'm sorry, because I've enjoyed working with you, and I think the cause is very important. I do promise -- if you'll keep me on the email lists, etc. -- to do what I can to make women in particular more aware of HIV/AIDS.

Best regards,  
Susan Butler

Dear Scott,

With this letter, I tender my resignation as a Member of the Alexandria Industrial Development Authority (IDA), effectively immediately.

I have recently moved to the Fairfax County part of Alexandria and understand that, with this move, I am no longer eligible to serve on the IDA, as IDA Members must reside in the City of Alexandria.

It has been an honor and a privilege to serve with you and the other distinguished Members of the IDA, and I wish you the best in continuing the good work of the IDA.

Sincerely,

Clint Robinson

Subject letter

Hi all,

I hope all is well with you. I have attached the guidelines for the letter of recognition. It should be included with the template that Jason gave us in an email back in July.

I also want to give my notice of resignation. Due to some family issues, my ability to serve is no longer a option. I regret this decision, non the less it is the right one.

God bless you all and for the work you do to promote the social welfare of this city.

Kimberly
