Subject: Regrets

Marie, I'm following up on a phone message from this morning. I've just assumed the presidency of the ASBPE Foundation. It's an educational charity for business-to-business publication editors launched by the American Society of Business Publication Editors (of which I'm past president). In this new volunteer post, I'll be doing quite a bit of traveling, mainly to raise funds. With this new responsibility, I anticipate missing several upcoming meetings, so I feel the Beautification Commission would be better served by someone who can expect to attend meetings more regularly. I recall you mentioned at the last meeting that there was someone, an architect, who had applied to be on the commission and was disappointed that there wasn't a slot for him. Given that person's interest, it sounds like you won't have any difficulty filling my spot with someone who's interested in the commission's agenda. I think in the long-term, having someone with that enthusiasm on the commission would be terrific. Whether you replace me with that person or another, I wish you and the rest of the commission members the very best in your efforts. The commission is doing great work and I applaud the dedication and hard work that you and the others put forward on a regular basis. The commission is such an asset to the community, and I regret having to bow out so soon after starting. But I wouldn't be serving the best interest of the commission if I tried to take on this new volunteer responsibility while dedicating as much time to the commission as it deserves.

My very best to you and the others,

Robert Freedman

Subject David Zuckerkandel's Resignation and Replacement

I heard that there were questions and wanted to confirm that David resigned during the summer. Neither Staff, nor David have a copy of the resignation letter. David states that he submitted the original and only copy of his resignation to the Mayor's office. As you can deduce by the copy of the acknowledgement and thank you letter from the Mayor, acknowledging David's resignation and thanking him for his service to the City, it appears that the letter was received. Additionally, I've attached a copy of the Minutes of the Board meeting from September 2007 that was run by Christina Kelly filling in as Acting Chair. You'll note that David is listed as absent from the meeting and that in "Other Business" at the end of the minutes that the Board accepted with regret David's resignation.
