I. DISCUSSION

REQUEST

The applicant, Gil Mao, requests special use permit approval for Sunday operating hours for a restaurant located at 1743 King Street and additional seating in the rear courtyard of the restaurant.

SITE DESCRIPTION

The subject property is one lot of record with 30 feet of frontage on King Street, 150 feet of depth and a total lot area of 4,500 square feet. The site is developed with a restaurant, formerly operating as Thai Peppers. Access to the property is from King Street.

The surrounding area is occupied by a mix of retail and commercial. Immediately to the north is the driveway for the Hilton Hotel. To the south is the King Street Gardens Park. To the east and west are the Hilton Hotel and the Wyndham Resort.

BACKGROUND

On December 19, 1983, City Council granted Special Use Permit #1618 to RRCD Enterprises Inc. for the operation of the Owen Thai Restaurant at 1743 King Street. A change of ownership, SUP #2000-0147, was administratively granted on February 6, 2001 to Grand Diamond Inc., for the Thai Peppers Restaurant. On September 12, 2007, SUP #2007-0075, granted a change in ownership to James Y. Mao.

The restaurant is currently closed.

PROPOSAL

The applicant is proposing to operate the restaurant on Sundays, maintaining the same operating hours on weekdays as the previous restaurant. The applicant is also proposing to build an outdoor patio with covered seating for 50 patrons in the rear of the property.

Hours: Sunday - Thursday, 10:00am –Midnight
Friday - Saturday, 10:00am – 2:00am

Number of seats: 100 inside
50 outside, in the rear courtyard

Noise: High noise levels are not anticipated by the applicant

Trash/Litter: Trash will be comprised mostly of food waste and paper. The applicant is anticipating generating two bags of trash daily, which will be collected daily.

PARKING

The restaurant is located in the King Street Transit Parking District. According to Section 8-400 (B)(4) of the Zoning Ordinance, a restaurant requires one parking space for every ten seats. A restaurant with 150 seats will be required to provide 15 off-street parking spaces. The applicant has currently contracted with Colonial Parking for the required parking.

ZONING/MASTER PLAN DESIGNATION

Section 6-702 (A)(2) of the Zoning Ordinance allows a restaurant in the KR zone only with a special use permit.

The proposed use is consistent with the King Street Metro Small Area Plan chapter of the Master Plan which designates the property for commercial use.

II. STAFF ANALYSIS

Staff is supportive of the addition of Sunday hours for the restaurant. Sunday hours are typical for other restaurants in the area. There are several hotels in the area and a restaurant with Sunday hours will serve residents and tourists.

Staff does have concerns regarding the outdoor seating proposal. The applicant has requested to build an outdoor patio and a pavilion-type structure in the rear of the property. This area is exposed to the neighboring hotels and there is a small stairway to the area from the Hilton's driveway. Staff has concerns regarding the level of noise and potential odor that may arise from a use such as this. Staff is also aware that there have been issues with rodents in this area. Staff is concerned that this outdoor seating may attract rodents unless an aggressive abatement program is instituted and has added a condition requiring such a program. The applicant has also proposed to have trash picked up six days a week. With the type of waste that would be generated from a crab house, staff is adding a condition requiring that trash be picked up daily.

Because of potential negative impacts of the outdoor dining, staff is recommending that this SUP be reviewed after six months of operation and again at 18 month of operation.

Staff is recommending approval of the increase in hours, and the increased seating.

With these the following conditions, staff recommends approval of the special use permit to increase the hours of the restaurant.
