Mary Catherin Gibbs, Chair  
Alexandria Commission for Women  
421 King Street, Suite 400  
Alexandria, Virginia 22314

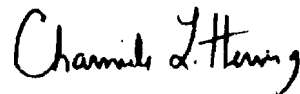

Dear Ms. Gibbs:

Due to my recent election to the Virginia House of Delegates, it is necessary that I resign from the Commission for Women. I have enjoyed being a member of the Commission for the past seven and a half years and serving as its Chair for three years. I am honored to have been part of such an amazing organization that is a force in the City of Alexandria and provides an invaluable service. Further, It was a pleasure to work closely with the Staff of the Office on Women in 2003-2004 on the domestic violence and sexual assault privilege communication bill. While we were not successful in passing the bill, we were successful in raising awareness about the issue.

I will miss working with everyone as a Commission member. However, I am sure that we will continue to work together in other ways on issues affecting women and their families.

With all of my gratitude, I am

Sincerely yours,

Charniele Herring

Hi Kay,

After speaking with you today and your saying that you hadn't received a resignation from Mary Morrow-Bax, I remembered Mary having sent this email. So, I assume her position (Consumer/Consumer Family Member) will be advertised in the next go-round? What would be the deadline date for people getting their applications in?

Thanks!  
Mary

**Subject:** Resignation from CSB

It is with deep regret that I must resign from the Community Services Board. Believe me, this is not something I want to do but due to the tragic and untimely death of one of my sons and the poor health of other family members, I know this is something I MUST do.

It has been a real privilege being a part of the Board for nearly two and a half years. The generous and altruistic nature of the staff and members of the Board is truly amazing, and I know the citizens of Alexandria are exceptionally fortunate to have such dedicated people working on their behalf. Given the economic times and budget ramifications, I can only pray they will be able to continue to provide the outstanding support and services that are needed.

I am grateful for the opportunity I have had to serve and will continue to cheer for the CSB and its many fine people.

Sincerely,

Mary Morrow-Bax
