### I. DISCUSSION

### <u>Request</u>

The applicant requests permission to provide 15 outdoor seats in the public right-of-way in front of the restaurant located at 315 Madison Street.

### SITE DESCRIPTION

The subject property is one lot of record that encompasses most of an entire city block with approximately 250 feet of frontage on Madison and Montgomery Streets, and 326 feet of frontage along North Fairfax and North Royal Streets. The subject site is a part of the Montgomery Center is a commercial development of 92,395 square feet that includes personal service, retail, restaurant, and community service uses. The subject restaurant occupies 2,624 square feet.

The surrounding area is occupied by a mix of residential condominium developments and office buildings. Immediately to the north and east is the Montgomery Center. The unit immediately to the north is currently vacant, and the unit immediately to the east is the Madison Annex of the Art League School. To the south is open space associated with the Alexandria House Condominiums, and to the west are the Port Royal Condominiums.

#### BACKGROUND

A restaurant/bakery has operated in this location since 1983. Conditions for the operation of a full service restaurant with increased seats, outdoor seating, and hours of operation were added over the years. From 1998 to 2001, the restaurant was operated as "Flatbreads." On December 15, 2001, City Council approved special use permit SUP #2001-0069 and encroachment ENC #2001-0007, which increased the number of seats, added eight outdoor seats, and extended the hours of operation. Further review of the approved encroachment shows that no ordinance was passed to codify the encroachment for outdoor seating.

In December 2003, an administrative change of ownership was granted by the Director of Planning and Zoning allowing the ownership of the restaurant to change from Alborz Inc. to Del Nayeri Company LLC, at which time the restaurant was changed to "a la Lucia." On October 15, 2005, City Council approved SUP #2005-0089 to increase the allowable number of seats to from 75 to 120 following an expansion of the restaurant.

#### PROPOSAL

The applicant is requesting approval of an encroachment for outdoor dining with fifteen seats. The proposed seating area will extend 56 inches from the front of the building to the sidewalk, and 49 feet along the sidewalk. In order to provide seating in this location, the applicant will have to remove the existing shrubs. The width of the sidewalk in this location is four feet, and

the proposed seating will not encroach onto the existing sidewalk. The applicant is also requesting approval of a special use permit for this outdoor seating (see SUP2008-0085).

### <u>Zoning/Master Plan</u>

The subject property is located in the CRMU-X/Commercial Residential Mixed Use zone (Old Town). Section 5-403(V) of the Zoning Ordinance allows a restaurant in the CRMU-X zone only with a special use permit. The Old Town North Small Area Plan chapter of the Master anticipates redevelopment of the site and designates the property for commercial residential mixed use.

### II. STAFF ANALYSIS

The land immediately outside the building is part of the public right-of-way, therefore, the outdoor seating proposal requires an encroachment permit to use the public space in addition to the typical special use permit for the restaurant. Staff supports the applicant's request for an encroachment for 315 Madison Street and believes outdoor seating in this area of the City should add a positive element of activity and interest for the adjacent commercial and residential neighborhoods. The proposed seating will be located adjacent to the building. Staff believes that there will be sufficient room for pedestrian access past the proposed seats and recommends approval of the encroachment.

### III. STAFF RECOMMENDATION

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

- 1. Outdoor seating is permitted subject to a seating layout plan that is reviewed and approved by the Director of Planning and Zoning. The applicant shall ensure that pedestrian access is provided past the outdoor seating and shall clean and wash the seating area at the close of each day of operation. (P&Z)
- 2. The applicant (and his or her successors, if any) shall obtain and maintain a policy of general liability insurance in the amount of \$1,000,000, which will indemnify the applicant (and his or her successors, if any) and the City of Alexandria, as an additional named insured, against all claims, demands, suits, etc., and all costs related thereto, including attorney fees, relating to any bodily injury or property damage which may occur as a result of the granting of this encroachment. (T&ES)
- 3. In the event the City shall, in the future, have need for the area of the proposed encroachment, the applicant shall remove any structure or projection that encroaches into the public right-of-way, within 60 days, upon notification by the City. (T&ES)

- 4. Neither the City nor any Private utility company will be held responsible for damage to the private improvements in the public right-of-way during repair, maintenance or replacement of any utilities that may be located within the area of the proposed encroachment. (T&ES)
- 5. Landscape planters/containers shall be placed in the area of the outdoor dining to the satisfaction of the Directors of P&Z and RP&CA. Planters shall not obstruct pedestrian access and shall not drain directly onto the sidewalk. (Parks)
- <u>STAFF:</u> Faroll Hamer, Director, Department of Planning and Zoning; Richard Josephson, Deputy Director; Eileen Oviatt, Urban Planner.

<u>Staff Note:</u> For commercial properties, the applicant and/or his successors are responsible for payment of an annual charge for such encroachment pursuant to Section 3-2-85 of the City Code.
