ISSUE: City Council consideration of grant renewal in the amount of \$142,477, to the United States Department of Agriculture (USDA) for the At-Risk After School Snack Program for FY 2009

RECOMMENDATION: That City Council authorize the City Manager to:

BACKGROUND: On July 21, 2008, staff received notice from the USDA that Alexandria will receive renewal funding for its At-Risk After School Snack, which is reimbursed to the City by the USDA. These funds will continue to provide nutritious after school snacks to the seven full time recreation centers, six part-time after school centers and the two therapeutic recreation after school programs during the 2008-09 school year.

Since FY 2004, the Department of Recreation, Parks and Cultural Activities has received funding from the USDA to provide after school snacks to the City's after school recreation programs. The Department contracts with the Alexandria City Public Schools Food and Nutrition Service to provide the snacks for the programs.

RENEWAL GRANT PERIOD: October 1, 2008 to September 30, 2009.

FISCAL IMPACT: The meals must be served free of charge in order to receive reimbursement from USDA. There is no requirement for the City to provide either cash or an in-kind match for this program. The City is responsible for the normal administrative costs associated with this grant. These costs include financial and reporting oversight provided by the administering agency (Department of Recreation, Parks and Cultural Activities), as well as by the Office of Management and Budget and by the Finance Department.
