Subject Recommendation for Board Service

Dear Mr. Middough:

As you may know, I have served as a member of the Board of Trustees at Northern Virginia Community College since June 2006. I am relocating and will leave a vacancy on the Board for a representative from the City of Alexandria. I have been impressed with your devotion to the cause of education and the plight of the citizens of Alexandria. The Board could certainly use someone with your background in finance. I would like to recommend you for consideration as a member of the Board of Trustees at NOVA. If you are interested there is an application process that you would need to complete. However, I would like to recommend you to the mayor as my replacement on the Board. Please advise if you are interested in serving in this very important and worthy cause. I may be reached at 202-260-2124.

Sincerely,

Lorenzo Esters
