

## City of Alexandria, Virginia

## MEMORANDUM

**DATE:** MAY 26, 2010

**TO:** THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

**FROM:** JAMES K. HARTMANN, CITY MANAGER 

**SUBJECT:** ORDINANCE TO INCREASE PARKING METER RATES

---

**ISSUE:** Consideration of a proposed ordinance to increase the parking meter rates to \$1.75 in all zones

**RECOMMENDATION:** That City Council pass the attached proposed ordinance to increase parking meter rates in all meter zones on first reading, and set it for public hearing, second reading and final passage on Saturday, June 12.

**DISCUSSION:** The current parking meter rates are \$1.00 per hour in Zone 1 (east of Washington Street) and \$1.00 per hour in Zone 2 (west of Washington Street) and \$1.25 per hour in Zone 3 (Carlyle/Eisenhower). The FY 2011 approved budget includes revenue based on increasing meters in all zones to \$1.75 per hour.

Increasing parking meter rates was a recommendation in the Old Town Area Parking Study. It is part of a broader strategy to encourage more turnover in the City's on-street parking stock and ultimately will support higher retail and restaurant sales. By simultaneously raising on-street meter rates, eventually installing more multi-space meters (to accept variable forms of payment such as credit cards or cash) and improving wayfinding to parking garages (\$0.1 million for parking wayfinding signs was included in the FY 2011 budget), the City will seek to improve convenience and availability of short-term (on-street) parking and encourage long-term parking in garages.

**FISCAL IMPACT:** The increase of the parking meter rate to \$1.75 cents per hour in all zones will generate approximately \$800,000 in additional General Fund revenue annually. The increase of parking meter rates to \$1.75 for all parking Zones is a part of the FY 2011 approved budget.
