**Subject:** Environmental Policy Commission

I wanted to write and thank you all for considering me. I was able to

attend the council meeting yesterday, but unable to stay until you

discussed the Environmental Policy Commission. The minutes posted today

did not indicate that a candidate was selected (though I assume one was)

and I was not notified that I was selected today - so I have to assume someone else was.

Alexandria's a great city, and lucky to have so many

qualified folks. There's a lot of work to be done - and as a citizen, I

appreciate the work you are doing. The environmental stewardship of our

**Comments:** city is one of its many strong points - and it is important to keep it

so. From clean water to planting trees, from carbon imprint to promoting

the development of alternative fuels in our area there is an awful lot

that can be done - and I'm sure the committee has the right folks, whoever

they may be.

I just wanted to say thanks for giving your time to  
consider me, and to make sure you knew that should I be called upon in the

future to help - I'll be here.

-Wade Eyerly
