

City of Alexandria, Virginia

MEMORANDUM

DATE: OCTOBER 29, 2009

TO: HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMANN, CITY MANAGER 

SUBJECT: CONSIDERATION OF RESOLUTION ESTABLISHING THE PROCESS TO BE USED TO ADOPT OPERATING BUDGETS AND CAPITAL IMPROVEMENT PROGRAMS

ISSUE: Consideration of a Resolution establishing the process to be used to adopt operating budgets and capital improvement programs during the term of this City Council.

RECOMMENDATIONS: That City Council:

- (1) discuss the attached Resolution establishing the process to be used to adopt operating budgets and capital improvement programs during the term of this City Council; and
- (2) adopt this Resolution at Council's November 10 legislative meeting.

BACKGROUND: City Council has long had procedures governing its consideration of the budget, including procedures governing the "add-delete" process. In the spring of 2005 Council first established additional procedures calling for a discussion of the budget at the fall retreat, after which specific budget guidance would be given to the City Manager and the School Board as they developed their respective budgets for the coming fiscal year. After the FY 2007 budget was adopted and with the installation of a new Council, a revised set of procedures was adopted for use in the FY 2008 budget process. Again in November of 2008, marginal changes were made in the underlying budget process for use during development of the FY 2010 budget. Resolution 2256 expired on June 30, 2009, and a new Resolution is required to reestablish and modify, as necessary, these basic budgetary procedures.

Mayor Euille asked Vice Mayor Donley and Councilman Krupicka to work with staff to develop such a Resolution for City Council's consideration. The attached Resolution is a result of those efforts. It should be noted that this Resolution does not provide specific guidance for FY 2011. That guidance will be developed separately by City Council after the budget retreat scheduled for November 7, 2009, and presented to City Council as a separate resolution for adoption at its November 24, 2009 legislative meeting.

Highlights of this Resolution, as compared to Resolution 2256, include:

- Both the City and the Schools will be asked to present at the fall retreat the outlook for possible budget reductions and increases in fees, fines and charges for services as well as possible additional requests for operating and capital needs. (See Sec. (a) (2) and (3).)
- The form of the guidance to be provided to the City Manager and the Schools is not specified in this resolution. Rather the form of the guidance will be determined by City Council during its deliberations after the fall retreat and may change from year-to-year as the situation warrants. (See Sec. (a) (7) and (8).)
- The date of the spring public budget hearing would be moved forward to the month following the submission of the budget by the City Manager (March), and an additional public hearing may be held, if Council deems that necessary in April, in addition to any separate public hearing required by statute on the "Effective Property Tax Rate". (See Sec. (a) (9).)
- Resolution 2256 required City Council members to submit "adds" of more than \$50,000 at least 7 days prior to the public hearing on the budget (and other related sections providing exceptions to this general rule). This requirement is deleted in favor of a requirement that any "add" or "delete" submitted by City Council members be preceded by a budget memo request to City staff or a discussed during a budget work session or public hearing. (See Sec. (c) (1).)
