Subject: references for Sylvia Winterling - docket item #11 - Beautification Commission appointment

Sylvia Winterling provided only two references on her application for the Beautification Commission when she submitted her application. We emailed her in December asking for the additional references and received no response. We emailed Ms. Winterling again this afternoon asking her for the additional two references for her application to the Beautification Commission. Below are the additional references she supplied this afternoon.

Please let me know if you have any questions.
