I. DISCUSSION

REQUEST

The applicant, Vigdonia Guzman, requests Special Use Permit approval for the operation of a child care home at 1327 North Chambliss Street.

SITE DESCRIPTION

The subject site is a single-family dwelling on one lot of record with approximately 104 feet of frontage on North Chambliss Street, 127 feet of frontage on Kelly Court and a total lot area of approximately 13,900 square feet.

The property is entirely surrounded by single-family residential dwellings.

BACKGROUND

The applicant is currently caring for five nonresident children in her home as approved through the Alexandria Office of Early Childhood Development. Providing day care services for up to five children in a home is a permitted use and does not require a Special Use Permit.

PROPOSAL

The applicant proposes to provide child care in her home for up to nine children at one time, which represents an increase of four over her current approval. At this time she anticipates caring only for children between the ages of six weeks and 13 years.

Hours of Operation: 6 a.m. – 6 p.m. Monday-Friday

Number of children: Nine

Play Area: Rear yard provides play area for children

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the R-12 / Single-Family Residential zone. Section 7-500(B) of the Zoning Ordinance allows a child care home in residential areas only with a Special Use Permit.

The proposed use is consistent with the Alexandria West chapter of the Master Plan which designates the property for residential uses.

PARKING

The Zoning Ordinance does not require any additional parking for child care homes than would be required for a residential use. Two driveway parking spaces and ample on-street public parking is available adjacent to the applicant's home on North Chambliss Street.

II. STAFF ANALYSIS

Staff supports the applicant's request to care for up to nine children in her home. The proposal is consistent with Zoning Ordinance requirements for a child care home, including the provision that adequate play area be provided. Parking impacts from the use are expected to be minimal given that, in addition to the applicant's driveway spaces, ample street parking exists along both frontages of this corner lot. Nonetheless, staff has recommended condition language (Conditions #5-7) to help mitigate any potential traffic and parking issues should they arise. Staff has also recommended an additional hour of evening operation, until 7 p.m., to provide the applicant additional flexibility and has included standard condition language requiring that the applicant become licensed with the Virginia Department of Social Services. This licensing requirement is both a matter of state law and a Zoning Ordinance standard for child care homes.

Subject to the conditions contained in Section III of this report, staff recommends approval of the Special Use Permit request.

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The Special Use Permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)
2. The hours of operation of the child care home shall be limited to between 6:00am and 7:00pm, Monday through Friday. (P&Z)
3. The maximum number of children cared for in the child care home shall be nine. (P&Z)
4. This Special Use Permit shall not be effective unless and until the child care home is licensed by the Virginia Department of Social Services. (P&Z)
5. The applicant, an assistant or parent must be available to escort children to and from the parent's cars. (T&ES)
6. Access to adjacent properties or driveway entrances shall not be blocked at any time. (T&ES)

9. The applicant shall contact the Community Relations Unit of the Alexandria Police Department at 703-838-4520 regarding a security survey and robbery readiness training for employees prior to the child care home opening for business. (Police)
10. The Director of Planning and Zoning shall review the Special Use Permit after it has been operational for one year, and shall docket the matter for consideration by the Planning Commission and City Council if (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the Director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions; or (c) the Director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)

STAFF: Barbara Ross, Deputy Director, Department of Planning and Zoning;
Nathan Randall, Urban Planner.

Staff Note: In accordance with Section 11-506(C) of the Zoning Ordinance, construction or operation shall be commenced and diligently and substantially pursued within 18 months of the date of granting of a Special Use Permit by City Council or the Special Use Permit shall become void.

Community and Human Services:

Observations

1. This family residence is currently permitted by the city for the care of 5 children from six weeks through age 12. The entire lower level is specially arranged for child care with ample space for children to play, work, eat and sleep. The space is child friendly, clean and organized.
2. The home is located in a residential area on a corner lot with more than ample space for drop off and pick up. There is a separate outdoor entrance to the lower level where child care is provided. A large fenced yard is readily accessible for outdoor play.
3. It was observed that Ms. Guzman easily managed children in different stages of sleeping and wakefulness. She was nurturing while meeting the needs of the children. She shared the work she is doing to prepare older children for kindergarten. She helped children transition when their parents arrived to pick them up, including providing the parents with information on their child's day.

Comments

1. This is a clean, well-organized and welcoming environment for children. The provider appears to have the best interests of the children and families as her priority. She takes pride in her work and her facility.
2. The community will benefit from the expansion of this child care program.

Lincolnia Hills / Heywood Glen (LH/HG) Civic Association
RE: Childcare Special Use Permit (SUP) Application - 1327 N. Chambliss Street, Alexandria, VA 22132
DATE: May 1, 2012

This letter is submitted in response to a voiced neighbor concern for the above mentioned SUP.

Upon notification of this concern via our neighborhood blog, lhgblog.org, I was requested by the president of the LH/HG Civic Association, Bill Larme, to review the concern from a community perspective. I obtained additional information from the Planning & Zoning Department, reviewed the list of present authorized child care providers in our zip code (Community and Human Services, Center for Children and Families) and e-mailed an inquiry to a number of mothers in the neighborhood, some very nearby the 1327 N. Chambliss Street address. Additional questions were raised by neighbors and answered by Mr. Randall. The following list of comments address the concerns raised as well as comments of community interest in such an SUP request.

1. In reviewing the present child care provider list, there are only two providers (both with up to 5 children) in our neighborhood of 450 homes (LH and HG), the same number as there were 13 years ago.
2. Our neighborhood is changing from 22 years ago when I moved here, and there are many more young families evidenced by the strollers on the sidewalks and the young families with membership at our community pool, Parklawn Pool.
3. 1327 N. Chambliss Street is located at the corner of N. Chambliss and Kelley Streets, allowing for space so adjacent neighbors are not blocked by brief parking for child pick up/drop off.
4. The SUP applied for allows up to 9 children, which includes any child/children already in the house, 14 years old or younger. The hours requested for these services are 6:00 am – 7:00 pm, not overnight.
5. If the applicant for an SUP is a renter, it has to be signed by the owner, of which it has been in this application.
6. The SUP is granted for both applicant and location. If the applicant leaves, neither the location can continue services nor the applicant provide the services at a new location for up to 9 children unless an application is submitted to Planning & Zoning for a new SUP.
7. Most importantly for the neighborhood, is the quality of child care providers. At the time of my inquiry to the neighborhood mothers, one neighbor who has an almost 2 year old and a newborn, recently interviewed this provider and was very impressed with quality of services.

Based on the above information gathered, I am recommending the LH/HG Civic Association Board provide no reason to block this special use permit from being granted.

Please contact Julie Collier Edelson at jedelsonptcie@gmail.com or Bill Larme at blarme@msn.com should you have any questions.
